Auditorium
- 14:00-15:30 Main Session: Assessment of acute dyspnea
- 15:45-17:15 Main Session: Hot news from heart failure and dyslipidemia guidelines
- 19:00-20:30 Publikumsveranstaltung Schweizerische Herzstiftung

Raum 1
- 08:30-11:15 Pre-Meeting: Swiss Fellow Course Interventional Cardiology
- 11:45-12:30 Assembly: Working Group AGLA
- 12:45-13:30 Assembly, Working Group Echocardiography + Cardiac Imaging
- 14:00-15:30 Workshop: SWITCH: What happened to our difficult cases
- 15:45-17:15 Workshop: WG Interventional Cardiology: Update on Stents
- 17:30-18:00 Andreas Grüntzig Lecture & Prize Ceremony SSC/SHF
- 18:30-19:45 Assembly: General assembly SSC
- 20:00-22:00 Get together SSP/SSC

Raum 2
- 08:30-11:30 Pre-Meeting: Postgraduate Course in Imaging
- 11:45-12:30 Assembly: Working Group Pace maker and
- 12:45-13:30 Assembly: Swiss Working Group Interventional
- 14:00-15:30 Abstract Session SSC/SSCS: 1
- 15:45-17:15 Workshop: WG Rhythmology: New devices in current practice and on the horizon
- 17:30-18:15 Workshop: Heart Failure: Controversies in heart failure

Raum 3
- 08:30-11:15 Pre-Meeting: Postgraduate Course Heart failure
- 11:45-12:30 Assembly: Working Group Heart failure
- 12:45-13:30 Assembly: Working Group Cardiac rehabilitation
- 14:00-15:30 Abstract Session SSC/SSCS: 2
- 15:45-17:15 Abstract Session SSC/SSCS: 3
- 17:30-18:15 Workshop: SG Hypertension: Isolated systolic hypertension: same significance and same treatment in the young

Raum 4
- SSCS Track
- 08:00-10:00 Assembly: Board meeting Swiss Society of Cardiac and Vascular Thoracic Surgery
- 10:30-12:00 Young Swiss Cardiac Surgeons Session
- 12:30-13:30 Assembly: General assembly Swiss Society of Cardiac and Vascular Thoracic Surgery
- 14:15-15:30 Semmig Lecture & SSCS Medtronic Young Investigator Prize Lecture
- 15:45-17:15 Workshop: Imaging + SSCS: Diagnosis and treatment of pericardial effusion
- 20:00-23:00 Surgeons Dinner

Raum 5
- 08:30-10:00 Assembly: Board meeting Swiss Society of Cardiology
- 10:15-11:15 Assembly: Scientific program committee 2017 Session
- 11:45-12:30 Assembly: Working Group WATCH
- 14:00-17:00 Workshop: Swiss Society for Perfusion Techniques: Quality parameter in extracorporal circulation

Raum 6
- 08:00-11:30 Assembly: Board meeting Working group pacemaker and electrophysiology
- 11:45-12:30 Assembly: Board meeting WG Echocardiography and Cardiac Imaging
- 14:00-16:00 Hands on: Interstitial lung disease
- 16:15-18:15 Hands on: Polysomnography and polygraphy

Raum 7
- 08:00-11:15 Assembly: Board meeting Working group AGLA
- 14:00-16:00 Hands on: Thorax drainage
- 16:15-18:15 Hands on: Plethysmography

Raum 8

Foyer Ground Floor
- Opening hours
- 08:00-19:15 Secretariat
- 11:30-17:00 Exhibition

Auditorium
- 08:00-09:00 Joint Session: High altitude
- 09:15-10:45 Main Session: Chronic dyspnea
- 11:00-12:30 Joint ESC/ERS-WG/SSCS/SSP Guidelines Session: Pearls of the ESC/ERS Guidelines 2015
- 13:15-14:15 Satellite Symposium: Company
- 14:30-15:30 Workshop: ECG-Quiz
- 15:45-17:15 Main Session: Ventilation and heart failure
- 17:30-19:00 Assembly: General assembly Swiss Society of Pneumology
- 19:30 Society evening, Lausanne Palace

Raum 1
- 07:30-08:30 Satellite Symposium
- 08:00-09:00 Workshop: Working group Rhythmology: In-depth: 2015 ESC guidelines on ventricular arrhythmia and sudden cardiac death
- 09:15-10:45 Workshop: AGLA: Lipids
- 11:00-12:30 Joint Sessions: Management of chronic thromboembolic disease
- 13:15-14:15 Satellite Symposium: Company
- 14:30-15:30 Satellite Symposium: Company
- 15:45-17:15 Workshop: Facing the challenge of TAVI 2016
- 17:30-18:30 Satellite Symposium: Company

Raum 2
- 07:30-08:30 Satellite Symposium
- 08:00-09:00 Workshop: SG Hypertension: The patient with heartburden, renal failure and hypertension: what strategy?
- 09:15-10:45 Workshop and Abstract Session: Basic Science: Basic research in cardiology: clinical perspectives
- 11:00-12:45 Joint Session: Sarcoidosis
- Tuberculosis Research Prize Ceremony
- 13:15-14:15 Satellite Symposium: Company
- 14:30-15:30 Satellite Symposium: Company
- 15:45-17:15 Joint Session: Pulmonary hypertension
- 17:30-18:30 Satellite Symposium: Company

Raum 3
- 07:30-08:30 Satellite Symposium
- 08:00-09:00 Workshop: Complicated parapneumonic effusion: surgery or drainage
- 09:15-10:45 Abstract Session SSC/SSCS: 6
- 11:00-12:30 Joint Session: Cardiovascular risk factors
- 13:15-14:15 Satellite Symposium: Company
- 14:30-15:30 Satellite Symposium: Company
- 15:45-17:15 Abstract Session SSC/SSCS: 8
- 17:30-18:30 Satellite Symposium: Company

Raum 4
- Track Nursing and Allied Professions
- 08:00-09:00 Workshop: SCCT: Electronic tools and aids for patients and health care professionals
- 09:15-10:45 Scientific Session Nursing and allied professions: Adherence after Long Hospitalisation – Enhancing patients' self-care abilities
- 11:00-12:30 Scientific Session Nursing and allied professions: Patients with obstructive sleep apnea (OSAS): implications for nursing practice
- 13:15-14:15 Assembly: General assembly Working group Cardiovascular nursing and allied professions
- 14:30-16:00 Joint Session: COPD Therapy: What do healthcare professionals need to know about COPD and how to care for these patients?
- 16:15-17:15 Nursing and allied professions: Presentation of clinical scientific projects
- 17:30-18:30 Workshop: SSC Quiz

Raum 5
- SSCS Track
- 08:00-09:00 Workshop: Tobacco prevention and e-cigarette facts
- 09:15-10:45 Session SSCS: Endocarditis
- 11:00-12:30 Abstract Session SSC/SSCS: 7
- 13:15-14:15 Satellite Symposium: Company
- 14:30-15:30 Satellite Symposium: Company
- 15:45-17:15 Abstract Session SSC/SSCS: 9
- 17:30-18:30 Abstract Session SSC/SSCS: 10

Raum 6
- 08:00-09:00 Workshop: ILD and systemic diseases
- 09:15-10:45 Swiss pulmonary challenge
- 11:00-12:30 Free communications 1 SPP
- 13:15-14:45 General Assembly Swiss Society of Pediatric Pneumology
- 14:45-17:30 Pediatric Grand Rounds
- 17:30-18:30 Abstract Session SSC/SSCS: 11

Raum 7
- 08:00-09:00 Workshop: Thoracoverebral malformations: cardiopulmonary consequences and treatment
- 10:45-12:30 Abstract Session SSC/SSCS: 5
- 11:00-12:30 Free communications 2 SSP
- 13:15-14:15 Poster Walk SSP
- 14:30-15:30 Postersession SSP
- 15:45-17:15 Free communications 3 SSP

Auditorium
- 08:00-09:30 Joint Session: NOACS and antiplatelet therapy - Update 2016
- 09:45-11:15 Main Session: Pulmonary embolism
- 11:30-12:30 Workshop: Swiss WG Interventional Cardiology: 2015 ESC NSTEACS guidelines in-depth
- 13:30-14:30 Satellite Symposium: Company
- 14:15-15:45 Workshop: Best Swiss articles of the year 2015

Raum 1
- 08:00-09:30 Workshop: Rhythmology: What the general cardiologist should know about rhythmology
- 09:45-11:15 Workshop: Hot topics in heart failure and mitral regurgitation
- 11:30-12:30 Joint SPR-, SSC/SSCS/SSP-Session: "Innovation and Competitive of Research in Switzerland"
- 13:30-14:30 Satellite Symposium: Company
- 14:15-15:45 Abstract Session SSC/SSCS: 14

Raum 2
- 08:00-09:30 Joint Session: CPET
- 09:45-11:15 Abstract Session SSC/SSCS: 11
- 11:30-12:30 Joint Session: Evaluation of right heart function
- 13:30-14:30 Satellite Symposium: Company
- 14:15-15:45 Abstract Session SSC/SSCS: 15

Raum 3
- 08:00-09:00 Satellite Symposium
- 08:00-09:00 Workshop: Indication and outcome in lung transplantation
- 09:45-11:15 Abstract Session SSC/SSCS: 12
- 11:30-12:30 Workshop: FMH Insieme: Tilal
- 13:30-14:00 Satellite Symposium: Company
- 14:15-15:00 Workshop: SG Hypertension: Therapy of hypertension in patients with coronary heart disease

Raum 4
- WATCH Track
- 08:00-09:30 Workshop: Cardiopulmonary pediatric challenges of altitude
- 09:45-11:15 Outlook: Hide - Leave it or correct it
- 11:30-12:30 Scientific Session: Complications in CHD - with a little help from our friends
- 12:30-14:00 Assembly: General Assembly SGPK
- 14:15-15:45 Joint Session: PAH and congenital heart disease

Raum 5
- SCTS/AMK Track
- 08:00-09:30 Joint Session: From pagets to evidence based biomedicine
- 09:45-11:15 Joint Session: Rehabilitation for cardiac and pulmonary patients
- 11:30-12:30 Workshop: Respiratory physiotherapy
- 13:00-14:00 SSC/SSCS-Boards & Industry CEO Meeting

Raum 6
- 08:00-09:00 Workshop: New lung function standards
- 09:15-10:45 Main Session: News in oncology of the Lung
- 11:00-12:30 Main Session: Asthma
- 13:00-14:00 Satellite Symposium: Company
- 14:15-15:45 Main Session: Respiratory infections

Raum 7
- 08:00-09:00 Workshop: Swiss recommendations for adult patients with cystic fibrosis
- 09:15-11:00 Main Session: Paediatric Pulmonology Science Session
- 13:00-17:00 Hands-on Course: BLS/AED Refresher

Raum 8
