ISTS Sponsor

11 April 2014

International Scientific Tendinopathy Symposium, Oxford 5th-6th September 2014

Dear Potential Sponsor,

As per your request please find attached more detailed programme information at this time.

Confirmed plenary speakers so far include:

George Murrell, Sydney, Australia
Olivier Leupin, Novartis, Basel, Switzerland
Paul Ackermann, Stockholm, Sweden
Malcolm Collins, Cape Town, South Africa
Britt Wildemann, Berlin, Germany
Liz Laird, Liverpool, UK
Graham Riley, Norwich, UK

Nelly Andarawis-Puri, New York, USA
Andrew Carr, Oxford, UK
Jo Gibson, Liverpool, UK
Roger Smith, London, UK
James Wang, Pittsburgh, USA

Friday 5th

11:00 - 12:50 Translational science I - plenaries on Tendinopathy aetiology (Murrell) and Pain therapies (Ackermann)

14:00 - 15:40 Translational science II - plenaries on Pharmaceuticals (Leupin / Novartis) and Genetics (Collins)

16:20 - 18:00 Basic science I - plenaries on Cell biology and growth factors (Wildemann) and Mechanobiology (Wang / ISL&T)

18:00 - 19:30 Posters and drinks

19:30 dinner

Saturday 6th

08:30-10:20 Basic science II - plenaries on Biomechanics (Andarawis Puri), Matrix biology (Laird) and Mechanotransduction (Riley)

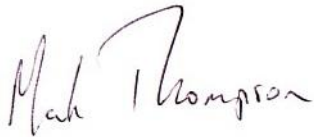

11:00- 12:30 Clinical pathways I - plenaries on Stem cells (Smith) and Rehabilitation (Gibson)

13:30 - 15:30 Clinical pathways II - plenaries on Pain - central sensitisation (Carr) and Consensus discussion (Chair Alfredson).

Sunday 7th

Clinical workshop "Clinical Gems" - programme organised separately by Trackside Technologies

Thank you for interest and we look forward to hearing from you.

on behalf of

Prof Andrew Carr, Dr Philippa Hulley, Dr Mark Thompson

Co Chairs, 2014 International Scientific Tendinopathy Symposium
