

ESID 2016 Timetable at a Glance

Plenary Session	Parallel Session	Educational Day	INGID Programme	IPOPI Programme
Optional Event	Parallel Workshop	Educational Workshop	Industry Sponsored Symposia	Breaks & Poster Viewing

Wednesday, September 21, 2016 – Educational Day

	Hall 1 (1300 pax)	Hall 4 (150 pax)	Hall 5 (150 pax)
09:00-09:30	Plenary Session I Infections and other clues to PID		
9:30 - 10:00	Plenary Session II New techniques in PID - diagnostic chips; IPS ; whole exome sequencing	INGID	IPOPI
10:00-10:30	Plenary Session III New insights in neutrophil disorders	INGID	IPOPI
10:30-11:00	Break	INGID	IPOPI
11:00-11:30	Plenary Session IV C1ESTERASE inhibitor deficiency	INGID	IPOPI
11:30-12:00	Plenary Session V B cell disorders - overview	INGID	
12:00-12:30	Plenary Session VI Many faces of HLH	INGID	
12:30-13:30	Break	INGID	
13:30-14:00	Plenary Session VI GOF mutations in Immune dysregulation/autoimmunity	INGID	
14:00-14:30	Plenary Session VII Clinical approach in understanding complex congenital autoimmunity	INGID	
14:30-15:00	Plenary Session IX New indications and techniques in HSCT	INGID	
15:00 - 15:15	Break		
15:15-16:00	MTE 1 IVIg Ig treatment when how where why	MTE 2 WAS/XLT	MTE 3 CGD infections and Complications
16:30-17:10	ESID, IPOPI & INGID Opening Ceremony		
17:10-18:00	Opening Keynote Lecture - History of PID – new way of looking at PID - PID across frontiers – new paradigm		
18:00-20:00	ESID, IPOPI & INGID Networking Reception		

Thursday, September 22, 2016

	Hall 1 (1300 pax)	Hall 2 (350 pax)	Hall 3 (350 pax)	Hall TBC	Hall 4 (150 pax)	Hall 5 (150 pax)
07:30 - 08:15	MTE 4 Investigating PID	MTE 5 How I treat CVID complications	MTE 6 Next generation sequencing	MTP 7 Transplant / Gene therapy	MTP 8 Respiratory disease in PID	MTP 9 GI disease in PID
08:15-08:30	Short Break					
08:30 – 10:00	Plenary Session I - New Thymic biology - Epigenetics / Nanotechnology - STAT biology				INGID	IPOPI
10:00-10:30	Coffee Break, Exhibition & Poster Viewing					
10:30 – 12:00	Parallel Session I: - Lessons from SCID and beyond	Parallel Session II: - PID and malignancies - Mechanisms of cancer genesis in PID	Parallel Session III: Autoinflammatory Diseases		INGID	IPOPI
					INGID	IPOPI
12:00 – 14:00	Lunch Break, Exhibition, Poster Walks	Industry Sponsored Symposia 12:15 – 13:45	Lunch Break, Exhibition & Poster Viewing			
14:00 – 15:30	Parallel Session IV: - Fundamental biology DNA repair and chromosomal instability - Immunological aspects of DNA repair defects	Parallel Session V: - New born screening for all PIDs: US perspective - New born screening for all PIDs: EU perspective	Parallel Session VI: - Cytotoxicity and HLH new insights - Defects in T cells receptor		INGID	IPOPI
					INGID	IPOPI
15:30 – 17:30	Coffee Break, Exhibition & Poster Viewing	Industry Sponsored Symposia 15:45 - 17:15	Coffee Break, Exhibition & Poster Viewing			
17:30 – 19:00	Plenary Session II: Autoimmunity and autoinflammation in PID - Interferon opathies - Autoimmunity and T-cell disorders - Auto inflammation E.G.IBD				INGID	IPOPI
19:00 – 20:30	Drinks & Posters 19:15 - 20:30	Industry Sponsored Symposia 19:00 - 20:30	Industry Sponsored Symposia 19:00 - 20:30	Drinks & Posters 19:15 - 20:30		

Friday, September 23, 2016

	Hall 1 (1300 pax)	Hall 2 (350 pax)	Hall 3 (350 pax)	Hall TBC	Hall 4 (150 pax)	Hall 5 (150 pax)
08:00 – 08:45	Parallel Workshop I:	Parallel Workshop II:	Parallel Workshop III:	Parallel Workshop IV:	Parallel Workshop V:	Parallel Workshop VI:
08:45 – 09:00	Short Break					
09:00 – 10:30	Plenary Session III: - Genome editing - Genetic results - genotype fenotype correlation / CRISPR-Cas9 - Gain of function mutations session				INGID	IPOPI
10:30 – 11:00	Coffee Break, Exhibition & Poster Viewing					
11:00 – 12:30	Parallel Session VII: Joint session with INGID and IPOPI - Ethics in relation to genetics of PID	Parallel Session VIII: - CVID (adult and paediatric view)	Parallel Session IX: - Gene therapy clinical results - New developments in HSCT		INGID	IPOPI
12:30 – 14:30	Lunch Break, Exhibition, Poster Walks	Industry Sponsored Symposia 12:45 – 14:15	Lunch Break, Exhibition, Poster Walks		INGID	IPOPI
14:30 – 16:00	Parallel Session X - K-ras / N-ras mutations - APDS	Parallel Session XI: Telomere biology Telomere disorders	Parallel Session XII: - Combined immunodeficiency		INGID	IPOPI
16:00 – 16:30	Coffee Break, Exhibition & Poster Viewing					
16:30 – 18:00	Plenary IV - New insight from infections revealing PID - Microbiome interaction immunity - Primary immonudeficiency presenting in adults incl somatic mutations				INGID	IPOPI
18:00 – 18:15	Short Break					
18:15 – 19:00	Parallel Workshop VII:	Parallel Workshop VIII:	Parallel Workshop IXI:	Parallel Workshop X:	Parallel Workshop XI:	Parallel Workshop XII:
20:00	ESID Networking Dinner					

Saturday, September 24, 2016

	Hall A (1300 Pax)	Hall 4 (150 pax)	Hall 5 (150 pax)
08:30 – 10:00	General Assembly	INGID	IPOPI
10:00 – 10:15	Coffee Break		
10:15 – 12:30	Late Breaking Oral Presentations	INGID	IPOPI
		INGID	IPOPI
		INGID	IPOPI
12:30-12:40	Short Break		
12:40 – 13:25	Presidential Lecture		
13:25 – 13:40	Closing Ceremony & Awards
