Subject : Vulnerable Patient Meeting 2014- UK

Rotterdam, December 2013

Dear Dr. ...,

Vulnerable Patient Meeting (VPM) is celebrating its 12<sup>th</sup> anniversary. Since its inception, it has been every year a great success thanks to your valuable participation as speaker and/or providing your comments during heated discussions. We have come this far thanks also to our generous sponsors. As we are all aware, the current economical climate has caused that companies have reduced considerably, if not cancelled, all budgets allocated for this kind of support. Due to these reasons our budget is very much restricted and we are forced to invite you as speaker under the following circumstances:

1. As VPM speaker, your registration for the conference is waived.
2. VPM will provide your hotel accommodations
3. VPM will arrange local transportation from the airport to the hotel location and back to the airport.
4. VPM will provide you with all meals during the length of the meeting.
5. VPM will provide you with flight or train tickets

We hope that you are able to accompany us in the UK on June 21 - 24, 2014. This year we a special Guest Director, Prof. Dorian Haskard from the Imperial College in London.
