GULF DIABETIC FOOT CONFERENCE 2016

**March 4-5, 2016
Radisson Blu Hotel, Kuwait
Al Hashimi Ballroom**

Following the successful of 1st Gulf Diabetic Foot Conference held in Oman last April 2015. We are proud to announce the 2nd version with global experts in the field of diabetic foot care. This ground-breaking event will be held on 4-5 March, 2015 in Radisson Blu Hotel, Kuwait.

This conference will highlight international, regional and local speakers who come with a wealth of knowledge to share through plenary sessions, evidence-based and hands-on workshops with breakout sessions to meet the needs of all attendees.

The GDFC will be identified in the region as a platform for the medical fraternity to get together and update in the field of Diabetic Foot Prevention and Management. Attendees will have the chance to network with experts from around the world with aim:

- To have a platform for the medical fraternity to get together especially to update in the field of Diabetic Foot
- To enhance in the quality of care offered to patients by ensuring best practices at the grass-roots level
- To disseminate appropriate information and ideas to the clinical areas and to champion health care professional within GCC and Middle East

We are expecting 500 delegates, including key opinion leaders, Doctors, Nurses, Wound Care Nurses, Community Nurses, Physiotherapist and Allied Health staff from throughout the region.

Since your company has been a pioneer in the development of wound management care in the region as you are increasing the awareness among the health care professional your support to this conference is highly appreciated.

Attached is a schedule of prices for sponsorship. All levels are available on a first-come, first-served basis.

We request you to fill the last page as acceptance and send us a formal letter from your Company as a promissory note by November 30, 2015 emailed to the organizers of the Conference .
