

First Announcement

EPOS

32nd Annual Meeting

of the
European Paediatric
Orthopaedic Society

17th - 20th April 2013
Athens, Greece

epos2013.gr

Welcome

Dear Colleagues and friends,

We feel honored and privileged for Athens to have been chosen, at the General Assembly during the annual meeting in Basel, to host the EPOS Annual Meeting in 2013. This is the second time that Athens will have the opportunity to organize the highest annual event of our beloved Society. Personally, I feel extremely fortunate after 1990 (the 9th EPOS meeting) to be the Host of the 32nd meeting for once more and I would like to welcome all Members, Guests and Friends, to this very special gathering in April, during the distinctive Spring in Greece.

I suggest for you to set aside the previous or following few days of the Meeting for relaxation and short holidays to visit the country around Athens and the nearby islands.

Once again, I am looking forward to seeing and welcoming you all in Athens!

John (Ioannis) Dimitriou

President of the Local Organizing Committee
