

# CCI Live

## Newcastle Complex Cardiovascular Intervention (CCI) LIVE

**Tuesday 23rd and  
Wednesday 24th June 2015**  
Newcastle Hilton Gateshead Hotel,  
Newcastle upon Tyne

**SAVE THE  
DATE**

### International Faculty including:

#### Gary S. Mintz (USA)

Gary Mintz is Chief Medical Officer of the Cardiovascular Research Foundation, Editor-in-Chief of TCTMD.com, and Managing Co-Director of Transcatheter Cardiovascular Therapeutics (TCT). He is the author of 800 articles, 50 book chapters, and 700 abstracts - mostly focusing on intravascular imaging and the single-authored textbook Intracoronary Ultrasound, the definitive work in the field.

#### Roxana Mehran (USA)

Roxana Mehran, MD, is Chief Scientific Officer of the CRF Clinical Trials Center and a Co-Director of Transcatheter Cardiovascular Therapeutics (TCT). She is also Professor of Medicine at Mount Sinai School of Medicine and Director of Interventional Cardiovascular Research and Clinical Trials at the Zena and Michael A. Wiener Cardiovascular Institute.

#### George D Dangas (USA)

George D. Dangas, MD, PhD, is Director of Academic Affairs at the Cardiovascular Research Foundation and Co-Director of Transcatheter Cardiovascular Therapeutics (TCT). He is also Professor of Medicine at the Mount Sinai School of Medicine and Director of Cardiovascular Innovation at the Zena and Michael A. Wiener Cardiovascular Institute of the Mount Sinai Medical Center in New York.

#### Azeem Latib (Italy)

Azeem Latib is a senior interventional cardiologist at San Raffaele Hospital and EMO-GVM Centro Cuore Columbus in Milan Italy. He started his career in South Africa and obtained his specialisation in internal medicine and cardiology at Groote Schuur Hospital and the University of Cape Town where he is now honorary senior lecturer. In 2008 he obtained his masters in interventional cardiology in Milan, at San Raffaele Hospital where he is now co-director of research and structural heart disease.

### LIVE CASES FROM FREEMAN HOSPITAL

#### Aims & Objectives:

CCI Newcastle bring together international leaders at the cutting edge in the field of interventional cardiology with a focus on complex coronary intervention, cardiovascular intervention and invasive imaging.

The programme will include:

- State-of-the-Art Keynote Lectures
- Live case broadcast from leading interventional cardiologists
- Lectures and expert panel opinions

#### Targeted at:

Consultant interventional cardiologists and senior trainees and cardiac catheter laboratory staff.

#### Course Directors:

**Dr. Javed M Ahmed**  
**Dr. Mohaned Egred**  
**Dr. Raj Das**
