

DAY	TIME	AUDITORIUM	SALA ONICE
MONDAY 19			Nurse Session 1
	9:30 - 11:00 A. M.		Haematology issues (<i>A. Babic</i>)
	11:00 - 11:30 A. M.	COFFEE BREAK	
	11:30 - 1:00 P. M.		Basic Apheresis (<i>M. Neyrinck</i>) Calculation in Apheresis (<i>M. Neyrinck</i>)
	2:00 P. M.	OPENING REMARKS (<i>A. Bosi M. Lozano</i>)	
	2:30 - 3:15 P. M.	Lecture: CLINICAL APHERESIS: STATE OF ART (<i>G. Rock</i>)	
		Session 1 STATE OF ART IN CELLULAR THERAPY (<i>F. Lanza, G. Rock</i>)	
	3:15 - 4:30 P. M.	- Peripheral blood stem cell procurement as standard treatment for hematologic malignancies (<i>R. Moog</i>) - Lymphocyte collection for DLI and Adoptive Immunotherapy (<i>A. Bosi</i>) - PBSC Collection technologies and graft composition (<i>B. Calmels</i>)	
	4:30 - 4:45 P. M.	COFFEE BREAK	
		Session 2 STATE OF ART IN CELLULAR THERAPY (<i>G. De Silvestro, P. Perseghin</i>)	
	4:45 - 6:30 P. M.	- Immune effector clinical depletion in haploidentical transplant (<i>S. Rutella</i>) - Improving the autologous graft by optimizing cryoprotectant and cell washing (<i>R. Saccardi</i>) - Collection, Expansion and Clinical use of MSC (<i>P. Iudicone</i>) - Clinical estimation of PBSC content in frozen/thawed products (<i>F. Lanza</i>) - Discussion	
	8:00 P. M.	OPENING EVENT	
TUESDAY 20		Session 3 REGULATORY ISSUES (<i>M. Lozano, A. Mazzoni</i>)	
	8:30 - 10:00 A. M.	- Regulatory standards involving clinical apheresis worldwide (<i>C. Jr. Andrzejewski</i>) - Outcome of JACIE standard application in collection and processing units (<i>E. McGrath</i>) - A working Hypothesis: a sectorial standard for therapeutic apheresis (<i>M. Lozano</i>) - Discussion	
	10:00 - 10:30 A. M.	COFFEE BREAK	
		Session 4 DONOR ISSUES (<i>P. Accorsi, R. Moog</i>)	
	10:30 - 12:00 A. M.	- Donor's care and laboratory examinations in donor apheresis (<i>L. Infanti</i>) - Donor Apheresis technologies in the third millennium (<i>J. L. Winters</i>) - Blood Donation and Donor Apheresis in Europe: the search for the "Golden Proportion" (<i>H. Vrielink</i>) - Discussion	
	12:30 - 1:30 P. M.	LUNCH WORKSHOP	
		Session 5 THERAPEUTIC APHERESIS (<i>J. L. Winters, A. Zanella</i>)	
	2:00 - 3:30 P. M.	- Continuous promotion of clinical evidences and appropriateness in therapeutic apheresis (<i>Z. M. Szczepiorkowski</i>) - Emergent indications in therapeutic apheresis (<i>P. Perseghin</i>) - To imagine a role for ECP in GVHD prophylaxis (<i>A. Bacigalupo</i>) - Discussion	
	3:30 - 4:00 P. M.	COFFEE BREAK	
		Session 6 ORAL COMMUNICATIONS (<i>A. Ostuni, G. Russi</i>)	Nurse Session 3
	4:00 - 5:30 P. M.	Presentation of 8 oral communications	- Quality in apheresis (<i>H. Vrielink</i>) - Adverse events in apheresis (<i>M. Neyrinck</i>) - Open questions and discussions (<i>A. Babic</i>)
	5:30 - 6:00 P. M.	Conclusion of ESFH Program and Greetings Remarks
