

Chronic Total OCCLUSIONS

Monday 16th November 2015
Glenfield Hospital, Leicester

CTO 12 is a live course featuring 3 case demonstrations:

2 cases demonstrating the retrograde approach
1 case demonstrating the Crossboss/Stingray approach

Plus basic steps, tips and tricks, educational video cases, complications

This is a step by step course for those who wish to extend their CTO experience. This course provides a balance of live cases and educational video cases to demonstrate the steps moving from simple through to more complex CTO management.
