

Scientific Programme

[MAIN PAGE » SCIENTIFIC INFO](#)
[Faculty List](#)
[Scientific Programme](#)

14 April 2015, Tuesday

08:30 – 10:30 Brain tumors: Classification, grading, fundamental genetic concepts
 Low grade glial tumors
 High grade glial tumors
 Non glial (extra axial) tumors

10:30 – 11:00 **Coffee Break**

11:00 – 13:30 PWI in brain tumors
 MR Spectroscopy in brain tumors
 DTI in brain tumors
 fMRI in brain tumors
 DWI in brain tumors

13:30 – 15:00 **Lunch**

15:00 – 17:25 **Workshops**

	1 st Workshop	2 nd Workshop	3 rd Workshop	4 th Workshop	5 th Workshop	6 th Workshop	7 th Workshop
15:00 - 15:45	Black	Green	Yellow	Purple	Red	Turquoise	Blue
15:50 - 16:35	Turquoise	Blue	Black	Green	Yellow	Purple	Red
16:40 - 17:25	Purple	Red	Turquoise	Blue	Black	Green	Yellow

1st Workshop : Basic concepts in tumor imaging
2nd Workshop: Pitfalls in meningeal tumors
3rd Workshop: Pwi in brain tumors: tricks and pitfalls
4th Workshop: Ring enhancing lesions
5th Workshop: Tumor mimics
6th Workshop: fMRI tricks and pitfalls
7nd Workshop:Cranial nerve tumors

15 April 2015, Wednesday

08:30 – 10:30 Molecular imaging in CNS tumors
 Neuroradiological assessment of tumor progression and response
 Pituitary region tumors and pitfalls
 Skull base tumors

10:30 – 11:00 **Coffee Break**

11:00 – 13:00 The Phakomatoses
 von Hippel-Lindau and hemangioblastomas
 Supratentorial pediatric tumors
 Posterior fossa tumors in children

13:00 – 14:15 **Lunch**

14:15 – 17:30 **Workshops**

	1 st Workshop	2 nd Workshop	3 rd Workshop	4 th Workshop	5 th Workshop	6 th Workshop	7 th Workshop
--	-----------------------------	-----------------------------	-----------------------------	-----------------------------	-----------------------------	-----------------------------	-----------------------------

14:15 - 15:00	Yellow	Purple	Red	Turquoise	Blue	Black	Green
15:05 - 15:50	Red	Turquoise	Blue	Black	Green	Yellow	Purple
15:55 - 16:40	Blue	Black	Green	Yellow	Purple	Red	Turquoise
16:45 - 17:30	Green	Yellow	Purple	Red	Turquoise	Blue	Black

- 1st **Workshop:** Basic concepts in tumor imaging
 2nd **Workshop:** Pitfalls in meningeal tumors
 3rd **Workshop:** Pwl in brain tumors: tricks and pitfalls
 4th **Workshop:** Ring enhancing lesions
 5th **Workshop:** Tumor mimics
 6th **Workshop:** fMRI tricks and pitfalls
 7th **Workshop:** Cranial nerve tumors

16 April 2015, Thursday

08:30 – 10:30 Metastatic disease
 Lymphoma and hematopoietic tumors
 CNS Radiation and chemotherapy induced injury
 Ring enhancing lesions

10:30 – 10:45 **Coffee Break**

10:45 – 14:00 **Workshops**

	1 st Workshop	2 nd Workshop	3 rd Workshop	4 th Workshop	5 th Workshop	6 th Workshop	7 th Workshop
10:45 - 11:30	Yellow	Purple	Red	Turquoise	Blue	Black	Green
11:35 - 12:20	Red	Turquoise	Blue	Black	Green	Yellow	Purple
12:25 - 13:10	Blue	Black	Green	Yellow	Purple	Red	Turquoise
13:15 - 14:00	Green	Yellow	Purple	Red	Turquoise	Blue	Black

- 1st **Workshop:** Metastases and mimics
 2nd **Workshop:** Pitfalls in skull base tumors
 3rd **Workshop:** Pitfalls in pediatric tumors
 4th **Workshop:** Cystic tumors and cysts
 5th **Workshop:** Complications of spinal tumor management
 6th **Workshop:** Maxillofacial vascular tumors
 7th **Workshop:** Advanced MRI in the diagnostic and therapeutic approach of gliomas

15:00 - 18:30 **Free Study Time for the Examination**

17 April 2015, Friday

08:30 – 10:30 Orbit Tumors and vascular lesions
 Maxillofacial tumors
 Tumors of the suprahyoid neck
 Tumors of infrahyoid neck

10:30 - 11:00 **Coffee Break**

11:00 - 12:30 Vascular facial lesions general concepts, angiogenesis and classification
 Paragangliomas
 Vascular lesions mimicking CNS tumors

13:00 - 15:00 **Lunch**

15:00 - 17:25 **Workshops**

	1 st Workshop	2 nd Workshop	3 rd Workshop	4 th Workshop	5 th Workshop	6 th Workshop	7 th Workshop
15:00 - 15:45	Black	Green	Yellow	Purple	Red	Turquoise	Blue
15:50 - 16:35	Turquoise	Blue	Black	Green	Yellow	Purple	Red
16:40 - 17:25	Purple	Red	Turquoise	Blue	Black	Green	Yellow

- 1st **Workshop:** Metastases and mimics
 2nd **Workshop:** Pitfalls in skull base tumors
 3rd **Workshop:** Pitfalls in pediatric tumors
 4th **Workshop:** Cystic tumors and cysts
 5th **Workshop:** Complications of spinal tumor management
 6th **Workshop:** Maxillofacial vascular tumors
 7th **Workshop:** Advanced MRI in the diagnostic and therapeutic approach of gliomas

18 April 2015, Saturday

08:30 – 10:30 Intramedullary spinal cord tumors
 Intradural extramedullary tumors
 Vertebral tumors
 Treatment of vertebral tumors
 Quiz

10:30 - 10:45 Coffee Break**10:45 - 12:00 Examination****12:00 - 13:00 Lunch****13:00 - 16:15 Workshops**

	1 st Workshop	2 nd Workshop	3 rd Workshop	4 th Workshop	5 th Workshop	6 th Workshop	7 th Workshop
13:00 - 13:45	Yellow	Purple	Red	Turquoise	Blue	Black	Green
13:50 - 14:35	Red	Turquoise	Blue	Black	Green	Yellow	Purple
14:40 - 15:25	Blue	Black	Green	Yellow	Purple	Red	Turquoise
15:30 - 16:15	Green	Yellow	Purple	Red	Turquoise	Blue	Black

1st Workshop: Vertebroplasty in spine tumors**2nd Workshop:** Paragangliomas**3rd Workshop:** Treatment of meningioma and hemangioblastoma**4th Workshop:** Pitfalls in spinal cord tumors**5th Workshop:** Pitfalls in spine tumors**6th Workshop:** MR imaging of the tumors within vertebral canal**7th Workshop:** Imaging strategies for the spine and spinal cord (adult and peds)**16:15 - 16:30 Coffee Break****16:30 - 18:55 Workshops**

	1 st Workshop	2 nd Workshop	3 rd Workshop	4 th Workshop	5 th Workshop	6 th Workshop	7 th Workshop
16:30 - 17:15	Black	Green	Yellow	Purple	Red	Turquoise	Blue
17:20 - 18:05	Turquoise	Blue	Black	Green	Yellow	Purple	Red
18:10 - 18:55	Purple	Red	Turquoise	Blue	Black	Green	Yellow

1st Workshop: Vertebroplasty in spine tumors**2nd Workshop:** Paragangliomas**3rd Workshop:** Treatment of meningioma and hemangioblastoma**4th Workshop:** Pitfalls in spinal cord tumors**5th Workshop:** Pitfalls in spine tumors**6th Workshop:** MR imaging of the tumors within vertebral canal**7th Workshop:** Imaging strategies for the spine and spinal cord (adult and peds)
