	Hall A (Nitty 1-2)	Hall B (Tundra 2-3)	Hall C (Nitty 3)
08:00-10:00	Introduction to the Course MORNING SESSION 1: Spinal cord malformations • Myelomeningocele		
10:00-10:30	Coffee break		
10:30-13:30	MORNING SESSION 1 (continued): Other dysraphisms		
13:30-15:00	Lunch break		
15:00-16:00	AFTERNOON SESSION 1: Orbit and skull		
16:00-16:30	Coffee break		
16:30-17:30	GROUP SESSIONS 1 VIDEO SESSION: Spine malformations – GROUP C	GROUP SESSIONS 1 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP A <i>Sponsored Session</i>	GROUP SESSIONS 1 SOLVE A CASE SESSION: Spine malformations – GROUP B
17:30-18:30	GROUP SESSIONS 1 VIDEO SESSION: Spine malformations – GROUP A	GROUP SESSIONS 1 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP B <i>Sponsored Session</i>	GROUP SESSIONS 1 SOLVE A CASE SESSION: Spine malformations – GROUP C
18:30-19:30	GROUP SESSIONS 1 VIDEO SESSION: Spine malformations – GROUP B	GROUP SESSIONS 1 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP C <i>Sponsored Session</i>	GROUP SESSIONS 1 SOLVE A CASE SESSION: Spine malformations – GROUP A

DAY 3: Wednesday, 15 June 2016

	Hall A (Nitty 1-2)	Hall B (Tundra 2-3)	Hall C (Nitty 3)
08:00-10:30	MORNING SESSION 2: Vascular		
10:30-11:00	Coffee break		
11:00-13:00	MORNING SESSION 2 (continued): Craniovertebral junction anomalies		
13:00-14:00	Lunch break		
14:00-15:00	AFTERNOON SESSION 2: Chiari type I malformation		

DAY 4: Thursday, 16 June 2016

	Hall A (Nitty 1-2)	Hall B (Tundra 2-3)	Hall C (Nitty 3)
08:00-09:45	MORNING SESSION 3: Craniosynostosis		
09:45-10:15	Coffee break		
10:15-12:00	MORNING SESSION 3 (continued): Craniosynostosis		
12:00-13:45	Lunch break		
13:45-16:00	AFTERNOON SESSION 3: Spine and spinal cord tumors		
16:00-16:30	Coffee break		
16:30-17:30	GROUP SESSIONS 2 VIDEO SESSION: Craniosynostosis – Skull lesions – Spine and spinal cord tumors – GROUP B	GROUP SESSIONS 2 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP A <i>Sponsored Session</i>	GROUP SESSIONS 2 SOLVE A CASE SESSION: Craniosynostosis – Skull lesions – Spine and spinal cord tumors – GROUP C
17:30-18:30	GROUP SESSIONS 2 VIDEO SESSION: Craniosynostosis – Skull lesions – Spine and spinal cord tumors – GROUP C	GROUP SESSIONS 2 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP B <i>Sponsored Session</i>	GROUP SESSIONS 2 SOLVE A CASE SESSION: Craniosynostosis – Skull lesions – Spine and spinal cord tumors – GROUP A
18:30-19:30	GROUP SESSIONS 2 VIDEO SESSION: Craniosynostosis – Skull lesions – Spine and spinal cord tumors – GROUP A	GROUP SESSIONS 2 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP C <i>Sponsored Session</i>	GROUP SESSIONS 2 SOLVE A CASE SESSION: Craniosynostosis – Skull lesions – Spine and spinal cord tumors – GROUP B

DAY 5: Friday, 17 June 2016

	Hall A (Nitty 1-2)	Hall B (Tundra 2-3)	Hall C (Nitty 3)
08:00-10:30	MORNING SESSION 4: Sellar and suprasellar tumors		
10:30-11:00	Coffee break		
11:30-12:30	MORNING SESSION 4 (continued): Sellar and suprasellar tumors		
12:30-13:45	Lunch break		
13:45-15:00	AFTERNOON SESSION 4: Technical surgical notes		
15:00-15:30	Coffee break		
15:30-16:30	GROUP SESSIONS 3 VIDEO SESSION: Midline tumors – GROUP B	GROUP SESSIONS 3 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP A <i>Sponsored Session</i>	GROUP SESSIONS 3 SOLVE A CASE SESSION: Midline tumors – GROUP C
16:30-17:30	GROUP SESSIONS 3 VIDEO SESSION: Midline tumors – GROUP C	GROUP SESSIONS 3 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP B <i>Sponsored Session</i>	GROUP SESSIONS 3 SOLVE A CASE SESSION: Midline tumors – GROUP A
17:30-18:30	GROUP SESSIONS 3 VIDEO SESSION: Midline tumors – GROUP A	GROUP SESSIONS 3 HANDS-ON SESSION: From conception to the patient: how to develop an innovative material – GROUP C <i>Sponsored Session</i>	GROUP SESSIONS 3 SOLVE A CASE SESSION: Midline tumors – GROUP B
18:30-19:30	FINAL SESSION: Evaluation of the Course
