

10TH European Craniofacial Congress

24-27 JUNE 2015 · GOTHENBURG SWEDEN

Wednesday June 24

	H1+H2	J1	R2	R24	R25
08:00		Lecture: Speech Pathology Principles for Craniofacial Team members <i>Christina Persson, Sweden</i>	Lecture: Surgical principles for Cleft Lip and Palate for Craniofacial Team members <i>Magnus Becker, Sweden</i>	Surgical Instruction Course: Cleft Lip and Palate Surgery Soft Palate Closure <i>Jan Lilja, Sweden</i>	Surgical Instruction Course: Craniosynostosis <i>Peter Tarnow, Sweden Giovanni Maltese, Sweden</i>
09:00		Lecture: Surgical Principles for Craniofacial Syndroms for Craniofacial Team Members <i>Giovanni Maltese, Sweden</i>	Lecture: Orthognatic Surgical Principles for Craniofacial Team Members <i>Lars Rassmusson, Sweden</i>	Surgical Instruction Course: Cleft Lip and Palate Surgery <i>Brian Sommerlad, UK</i>	
10:00	Coffee				
10:30		Lecture: Surgical Principles for Craniosynostosis for Craniofacial Team Members <i>Lars Kölby, Sweden</i>	Lecture: Orthodontic Principles for Craniofacial Team Members <i>Maria Ransjö, Sweden</i>	Surgical Instruction Course: Cleft Lip and Palate Surgery	Surgical Instruction Course: Orthognathic Surgery
11:30				Surgical Instruction Course: Cleft Lip and Palate Surgery <i>Jenny Cajander, Sweden</i>	Workshop: Nasendoscopy of VPI <i>Dotevall, Moren, Josefsson, Havstam, Sweden</i>
12:30	Lunch				
13:30	Opening ceremony				
14:00	Symposium: Quality of life in craniofacial patients. Overview of challenges in assessing Quality of Life. <i>Nichola Rumsey, Bristol, UK</i> Development attainment and IQ in patients with craniosynostosis <i>Dr. Maggie Bellew, Leeds, UK</i> Neurocognitive outcome in children with syndromic craniosynostosis and the effect on quality of life <i>Mw. Drs. Marianne Maliepaard, Rotterdam, Netherlands</i> TBA <i>Dr Kristin Billaud-Feragen, Oslo, Norway</i>	Symposium: Apert syndrom <i>Sven Kreiborg, Danmark</i> <i>Ann Nachemsson, Gothenburg, Sweden</i> <i>Irene Mathijssen, Rotterdam, Netherlands</i> <i>Bertil Romanus, Gotheburg, Sweden</i> <i>Jonathan Britto, London, UK</i>			
15:15	Coffee				
15:45	Symposium: 3D imaging in Craniofacial treatment Methods for extraction and analysis of shape and asymmetry from craniofacial 3D images <i>Tron Darvann, Denmark</i> <i>Peter Hammond, London Andreas Thor, Uppsala</i> <i>Thomas Maal, Netherlands</i>	Symposium: Treacher Collins syndrom <i>Lars Rasmusson, Gothenburg, Sweden</i> <i>David Koppel, Glasgow, UK</i> <i>Pamela Åsten, Oslo, Norway</i>			
18.00	Welcome reception				

10TH European Craniofacial Congress

24-27 JUNE 2015 · GOTHENBURG SWEDEN

Thursday June 25

	H1	H2	J1	R2
08:00	Keynote: Craniosynostosis <i>Peter Tarnow, Gothenburg, Sweden Giovanni Maltese, Gothenburg, Sweden Lars Kölby, Gothenburg, Sweden</i>	Symposium: Study guidelines in cleft palate speech: preliminary results and upcoming tasks <i>Sandra Neumann, Köln, Germany</i>	Symposium: Treatment of Microtia <i>Francoise Firmin, Paris</i> Ear reconstruction in microtia with 3-stage minimal invasive technique <i>SO Wikström, Malmö</i>	
09:00	Abstracts		Symposium: 30 years experience with Osseointegrated Auricular Prostheses for children with ear malformation <i>Kerstin Bergström, Gothenburg, Sweden</i>	
09:30			Symposium: Surgery for craniofacial prosthesis <i>Joacim Stalfors, Gothenburg, Sweden</i>	
10:00	Coffee			
10:30	Keynote: Research in craniofacial surgery <i>Irene Mathijssen, Rotterdam, Netherlands</i>	Keynote: Surgery for VPI <i>Brian Sommerlad, London, UK</i>	Abstracts: Treatment of Microtia New hearing implants - consequences for outer ear reconstruction in children <i>Måns Eeg-Olofsson, Gothenburg Sweden</i> <i>Karin Strömbäck, Uppsala, Sweden</i>	
11:00		Abstracts		
11:30	Abstracts			
12:00				
12:30	Lunch			
14:00	Symposium: Hemifacial microsomia	Symposium: Outcome of secondary alveolar bone grafting- predicting factors <i>Kirsten Mølsted, Danmark Piotr Fudalej, Bern, Switzerland</i>	Keynote: Children with craniofacial malformations and severe/profound hearing loss - assessment and hearing intervention options <i>Radi Jönsson, Gotehnborg Sweden</i>	
14:30			Abstracts	
15:00	Abstracts	Abstracts		
15:30	Coffee			
16:00	Abstracts: Craniosynostosis	Keynote: CBCT in assessment of alveolar bone grafting outcome <i>Annelise Küsseler, Denmark</i>	Symposium: Pierre Robin Sequence <i>Felicity Mehendale, Edinburgh, UK Jyotsna Murthy, Chennai, India Corstiaan Breugem, Utrecht, Netherlands</i>	Speech Therapy <i>Christina Havstam, Gothenburg, Sweden</i>
16:30		Abstracts	Abstracts	Abstracts
17:00 -17:30				

10TH European Craniofacial Congress

24-27 JUNE 2015 · GOTHENBURG SWEDEN

Friday June 26

	H1	H2	J1	R2	R24
08:00	Abstract: Syndromic craniosynostosis	Keynote: Meeting the challenges of intercenter and international research collaboration <i>Bill Shaw, Manchester, UK</i>	Keynote: Distraction osteogenesis in craniofacial patients <i>George Sandor, Tammerfor, Finland Mats Sjöström, Umeå, Sweden</i>	Abstracts: Treatment of UCLP	Keynote: Pre-and postoperative nursing
09:00		Keynote: Centralisation of care for children with cleft lip and palate: the UK experience <i>Andrea Waylen, UK</i>	Abstracts	Abstracts: Treatment of BCLP	Abstracts
10:00	Coffee				
10:30	Symposium: Frontofacial advancement in syndromic patients <i>David Dunoway, UK Eric Arnaud, Paris, France Irene Mathijssen, Rotterdam, Netherlands Peter Tarnow, Gothenburg, Sweden</i>	Scandcleft <i>Gunvor Semb, Oslo, Norway</i>	Keynote: Complications in orthognatic surgery <i>Nayem Ali, London, UK</i>	Abstracts: Treatment of CP	
11:00			Keynote: Orthognatic surgery in craniofacial development disorders <i>David Koppel, Glasgow, UK</i>		
11:30			Abstracts		
12:30	Lunch				
14:00	Syposium: Genetics in craniofacial syndroms <i>Peter Mossey,United Kingdom Irène Mathijssen, Rotterdam, Netherlands Claes Möller, Uppsala, Sweden</i>	Keynote: Challanges with Craniofacial registry <i>Magnus Becker, Malmö, Sweden</i>	Symposium: Psychology: Joining up research and practice: the benefits of collaboration Translating research into practice: Trials & tribulations <i>Nichola Rumsey, Bristol, UK</i> Achieving consensus in outcome measurement <i>Nicola Stock, Bristol, Uk</i> Using audit data for research: The benefits of routine data collection <i>Kristin Billaud-Feragen, Oslo, Norway</i> European cleft collaborations: The way forward <i>Martin Persson, Bristol, UK</i> Discussion	Abstracts: Secondary surgery in clefts	
15:00	Abstracts	Abstracts	Abstracts	Abstracts	Abstracts
15:30	Coffee				
16:00	Symposium: 22Q11 TBA <i>Christina Persson, Gothenburg, Sweden</i> Understanding speech problems in 22q11.2 deletion syndrome for outcome prediction <i>Nicole Spruijt, Utrecht, Netherlands</i> TBA <i>Solveig Oskarsdottir, Gothenburg, Sweden</i>	Symposium: Anophthalmia/Microphthalmia Introduction - Anophthalmia/Microphthalmia <i>Marita Andersson Grönlund, Gothenburg, Sweden</i> Children and young adults with A/M treated with ocular prosthesis in Gothenburg, Sweden – investigations, ocular and ex-	Abstracts	Keynote: Volunteer missions <i>Jan Lilja, Gothenburg, Sweden</i> Saving faces, <i>Ian Hutchisson, UK</i>	

		tra ocular findings <i>Ylva Jugård, Gothenburg</i>			
16:30		Genetical aspects of A/M <i>Alexandra Topa, Gothenburg, Sweden</i> Active treatment with ocular prosthesis for orbital and facial growth <i>Marie Odersjö, Gothenbur, Sweden</i> Oculoplastic surgery in A/M and Summery <i>Gun Lindgren, and Marita Andersson Grönlund</i>		Abstracts	
17:00 -17:30		Abstracts

10TH European Craniofacial Congress

24-27 JUNE 2015 · GOTHENBURG SWEDEN

Saturday June 27

	H1+H2	J1
08:00	Long term results of UCLP treatment <i>Jan Lilja, Gothenburg, Sweden Hans Friede, Gothenburg, Sweden Anette Lohmander, Gothenburg, Sweden</i>	Hunterian lecture: 3D modelling and the craniofacial surgeon; how morphometrics in the assessment of deformity aids reconstruction for both congenital and acquired abnormalities <i>David Dunaway, UK</i>
09:00	<i>More speakers TBA</i>	
09:30	Coffee	
10:00	Long term results of UCLP treatment	Per-Ingvar Brånemark Memorial Lecture: Osseointegration in rehabilitation of facial defects <i>Anders Tjellström, Gothenburg, Sweden Kerstin Bergström, Gothenburg, Sweden</i>
11:00	The European Cleft Palate Craniofacial Association	
12:00	ECC 2019 General assembly Presentations and voting procedure	
12:30	Closing ceremony
