

## AOTrauma Course—Basic Principles of Fracture Management for ORP

26 Jan 2016 - 28 Jan 2016, Dublin, Ireland

Tuesday, 26 Jan 2016 (Day 1)					
Start	End	Title	Moderators/Faculty	Location/Documents	Duration
10:30	12:00	Other Pre-course Meeting (Faculty only)		Lecture Theatre	90
12:00	12:30	Other Registration & light lunch		Blue Cafe Bar	30
12:30	12:40	Lecture Welcome & Introduction		Lecture Theatre	10
12:40	12:55	Lecture AO Principles & Philosophy		Lecture Theatre	15
12:55	13:15	Lecture Bone anatomy & healing		Lecture Theatre	20
13:15	13:35	Lecture Principles of fracture fixation		Lecture Theatre	20
13:35	13:55	Lecture Screws - form & function		Lecture Theatre	20
13:55	14:10	Tea & Coffee		Geneva	15
14:10	14:30	Lecture Plates - form & function		Lecture Theatre	20
14:30	14:50	Lecture Reduction techniques		Lecture Theatre	20
14:50	15:00	Lecture Questions & discussion		Lecture Theatre	10
15:00	15:05	Travel time to discussion			5

## AOTrauma Course—Basic Principles of Fracture Management for ORP

26 Jan 2016 - 28 Jan 2016, Dublin, Ireland

### Tuesday, 26 Jan 2016 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
15:05	15:55	Discussion Discussion 1: Peri-operative preparation for an osteosynthesis of a distal femoral fracture		Discussion Rooms	50	
15:55	16:10	Tea & Coffee		Upper Deck	15	
16:10	17:10	Workshop Practical 1: Internal fixation with screws & plates - absolute stability		Practical Room	60	
17:10	18:10	Workshop Practical 2: Internal fixation of distal tibia fracture		Practical Room	60	
18:10	18:30	Other Faculty Meeting		Lecture Theatre	20	

## AOTrauma Course—Basic Principles of Fracture Management for ORP

26 Jan 2016 - 28 Jan 2016, Dublin, Ireland

### Wednesday, 27 Jan 2016 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
08:00	08:05	Opening remarks Housekeeping		Lecture Theatre	5
08:05	08:35	Lecture How to read x-rays (interactive lecture)		Lecture Theatre	30
08:35	08:55	Lecture Radiation Hazards		Lecture Theatre	20
08:55	09:00	Travel time to discussion			5
09:00	09:45	Discussion Discussion 2: Peri-operative preparation for osteosynthesis of the shaft fracture		Discussion Rooms	45
09:45	09:50	Travel time to lecture			5
09:50	10:10	Lecture Principles of intramedullary nailing		Lecture Theatre	20
10:10	10:30	Lecture Compartment syndrome		Lecture Theatre	20
10:30	10:50	Tea & Coffee		Geneva	20
10:50	11:50	Workshop Practical 3: Intramedullary nailing of tibia shaft with reaming		Practical Room	60
11:50	11:55	Travel time to lecture			5
11:55	12:15	Lecture Implant removal		Lecture Theatre	20

## AOTrauma Course—Basic Principles of Fracture Management for ORP

26 Jan 2016 - 28 Jan 2016, Dublin, Ireland

### Wednesday, 27 Jan 2016 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
12:15	12:35	Lecture Principles of external fixation		Lecture Theatre	20
12:35	12:45	Lecture Questions & Discussion		Lecture Theatre	10
12:45	13:45	Lunch		Caspian & Andaman	60
13:45	14:45	Workshop Practical 4: External fixation of a tibia shaft		Practical Room	60
14:45	14:50	Travel time to lecture			5
14:50	15:10	Lecture Osteosynthesis involving a joint		Lecture Theatre	20
15:10	15:30	Lecture Per & intertrochanteric fractures		Lecture Theatre	20
15:30	15:35	Travel time to discussion			5
15:35	16:20	Discussion Discussion 3: Peri-operative preparation for an osteosynthesis of the proximal femur		Discussion Rooms	45
16:20	16:35	Tea & Coffee		Geneva	15
16:35	17:35	Workshop Practical 5: Internal fixation of proximal femur fracture using DHS		Practical Room	60

## AOTrauma Course—Basic Principles of Fracture Management for ORP

26 Jan 2016 - 28 Jan 2016, Dublin, Ireland

### Thursday, 28 Jan 2016 (Day 3)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
09:00	09:50	Discussion Discussion 4: Infection control (include housekeeping)		Discussion Rooms	50
09:50	09:55	Travel time to lecture			5
09:55	10:15	Lecture Malleolar fractures		Lecture Theatre	20
10:15	10:35	Lecture Forearm shaft fractures		Lecture Theatre	20
10:35	10:50	Tea & Coffee		Geneva	15
10:50	11:25	Discussion Discussion 5: Peri-operative preparation for an osteosynthesis of a forearm shaft fracture		Discussion Rooms	35
11:25	11:30	Travel time to practical			5
11:30	12:30	Workshop Practical 6: Internal fixation of a forearm shaft fracture		Practical Room	60
12:30	13:15	Lunch		Blue Cafe Bar	45
13:15	13:55	Lecture Case Histories		Lecture Theatre	40
13:55	14:25	Other Quiz		Lecture Theatre	30
14:25	14:40	Lecture About AO Trauma		Lecture Theatre	15
14:40	14:55	Lecture Reflection - what have we learnt		Lecture Theatre	15

## AOTrauma Course—Basic Principles of Fracture Management for ORP

26 Jan 2016 - 28 Jan 2016, Dublin, Ireland

### Thursday, 28 Jan 2016 (Day 3)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
14:55	15:15	Closing remarks Closing remarks and goodbyes		Lecture Theatre	20
