DISCOVERING new ways in Geriatric World

Welcome to Lisbon and welcome to the 12th International Congress of the European Union Geriatric Medicine Society, from 5 to 7 October 2016.

This year we will prepare a very exciting congress under the main theme: **Discover new ways in Geriatric World**

This edition of the Congress will be targeted to specialists and health care professionals sharing the same interest in geriatric medicine: mainly geriatricians, internists, general practitioners, neurologists and physicians from every medical discipline, therapists, nurses, gerontologists, researchers and scientists, pharmacists, nutritionists as well to anyone taking care of the older patients, in order to understand the social, medical and clinical approach to geriatric diseases.

See you in Lisbon, Portugal in 2016!
