Academic Medical Center, University of Amsterdam

Lecture Hall 5 / Accreditation: 12 hrs.

Dear colleagues,

It is again my great pleasure to invite you to our annual EUS Live in Amsterdam course, which will celebrate its nineteenth edition this year. EUS – Live in Amsterdam 2016 will be held on 9 & 10 June, 2016 at the Academic Medical Center in Amsterdam, the Netherlands.

We have been able to compose a 'dream-faculty' with of course the core members **Rob Hawes** and **Thomas Rösch**, who both have never missed a course. But also our 'old hands' **Bertrand Napoleon**, **Marco Bruno** and **Shyam Varadarajulu** will again be present to expertly explain EUS problems and show their techniques. New-comer to the AMC course but also very experienced endosonographer as well as excellent teacher is **Ilaria Tarentino** from Palermo.

We will, as always, focus on teaching EUS from indication to the procedure itself. The course is meant both for the experienced and the less experienced endoscopist. As the combined training of doctors and nurses becomes more and more the standard, we truly hope to welcome many EUS-teams for this 19th issue of our EUS course.

We look forward to see many of you in the early summer of 2016 in Amsterdam.

Paul Fockens

on behalf of the organizing committee
