

		SILVER ROOM	RED 1	RED 2	BLUE 1	BLUE 2	YELLOW 1+2
	14.50-15.00	Official start of the 1 st World Conference on Abdominal Wall Hernia Surgery					
APRIL, 25 2015 - SATURDAY	15.00- 15.15	LIVE SURGERY Primary Inguinal Hernia Repair : How to do step by step (2 operating rooms)					
	15.15-15.30		Age and experience: does it influence the result of a trial in inguinal hernia surgery?				
	15.30-16.45		Is the reality more real than science? Debate "Young" Trialist Surgeons vs "Old" Experienced Surgeons				
	16.45-17.05	PLENARY SESSION Key note Lecture					
	17.05-19.00	PLENARY SESSION Milan Consensus of International guidelines for primary inguinal hernia					
APRIL, 26 2015 - SUNDAY	08.15-08.45		Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	
	08.50-09.10	PLENARY SESSION Key Note Lecture					
	09.10-11.00	PLENARY SESSION Complex Ventral Situation					
	11.00-12.30	Mesh: present and "mostly" the future	Complications in inguinal and abdominal hernia repair		Educational and training	possible free paper session	Unsolved problems in daily practice in inguinal
	12.30-12.45	Expert Hot Topic - Inguinal hernia in emergency: WSES Guidelines					
	12.45-13.00		Expert hot topic - Litigation in hernia surgery				
	13.15-14.15	Lunch and parallel lunch symposium	Lunch and parallel lunch symposium	Lunch and parallel lunch symposium	Lunch and parallel lunch symposium	B-BRAUN LUNCH SESSION	Lunch and parallel lunch symposium
	14.20-14.40	PLENARY SESSION Key note Lecture					
	14.40-17.30	PLENARY SESSION Everything carries its own burden (cit. Aeschylus) Pure tissue -> Mesh Laparoscopic -> Robotic Surgery where the truth?					
	17.30-18.30	OPENING CEREMONY					
APRIL, 27 2015 - MONDAY	08.15-08.45		Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	
	08.50-09.10	PLENARY SESSION Key note Lecture					
	09.10-10.00	LIVE SURGERY (2 operating rooms) Inguinal Hernia: is it better posteriorly? How to do step by step					
	10.00-11.30		Symposium: abdominal wall closure and prophylactic mesh				
	11.30-12.00		Expert Hot Topic - Debate - fix or not fix the mesh in laparoscopic inguinal hernia repair				
	12.00-13.00		Experimental session: at the bench, before the bedside				

APRIL, 27 2015 - MONDAY	13.15-14.15	ETHICON LUNCH SESSION					
	14.15-14.35	PLENARY SESSION Key note Lecture					
	14.35-16.00	PLENARY SESSION Post Partum Floppy Abdomen Diastasis: - The Surgeon - The Plastic Surgeon - The Physiotherapist					
	16.00-17.00	possible quick shot and young surgeon presentation	Parastomal Hernia	EBM vs Daily Practice	Old new trend in abdominal wall repair How I do it step by step	possible free paper session	
	17.00-17.30		Expert Hot Topic - Hernia in the women: debate-face to face	Expert Hot Topic - Laparoscopy in emergency inguinal hernia	Expert Hot Topic - Perineal Hernia Management		
	17.30-18.00						

APRIL, 28 2015 - TUESDAY	08.15-08.45		Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert		
	08.50-09.10	PLENARY SESSION Key note Lecture						
	09.10-09.45	LIVE SURGERY Abdominal wall (2 operating rooms)						
	09.45-11.00		Symposium: Advanced laparoscopic hernia repair					
	11.00-11.30		Expert Hot Topic - lumbar-flank hernia, how I do it: debate-faceto face	Pubic Inguinal pain Syndrome (PIPS-Sports Hernia)				
	11.30-13.00		Importance of registry					
	13.15-14.15	Lunch and parallel lunch symposium	BARD LUNCH SESSION			Lunch and parallel lunch symposium	WL GORE LUNCH SESSION	Lunch and parallel lunch symposium
	14.20-14.40	PLENARY SESSION Key note Lecture						
	14.40-16.10	PLENARY SESSION Pain after hernia surgery must be avoided						
	16.10-17.30	PLENARY SESSION Open/Burst Giant Abdomen						
	17.30-18.00	Expert Hot Topic - Disasters in laparoscopic inguinal hernia repair: prevention and solution	Hernia and social media	possible free paper session	Quality of life after hernia surgery	possible free paper session		
	18.00-18.30	Expert Hot Topic - Femoral hernia: debate-face to face						

APRIL, 29 2015 - WEDNESDAY	08.15-08.45		Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert	Sponsored Meet the Expert
	08.50-09.10	PLENNARY SESSION Key note Lecture					
	09.10-10.30	PLENARY SESSION Humbilical and midline hernia: what we have to do	possible free paper session	possible free paper session			
	10.30-11.30						
	11.30-12.30						
	12.30-12.45		CLOSING
