

1st Basel Elbow Surgery Course

5–6 September 2014

Instructional Course, Department of Orthopaedic Surgery,
University of Basel, Switzerland

SCIENTIFIC COMMITTEE

Claudio Rosso MD MSc
Department of Orthopaedic Surgery,
University Hospital Basel, Switzerland

Andreas Marc Müller MD
Department of Orthopaedic Surgery,
University Hospital Basel, Switzerland

FACULTY

Prof. Dr. med. Bernhard Jost, St. Gallen

Dr. med. Andreas Marc Müller, Basel

Prof. Dr. Magdalena Müller-Gerbl, Basel

Prof. Luke Oh, Boston

Prof. Dr. med. Pietro Regazzoni, Basel

PD Dr. med. Daniel Rikli, Basel

Dr. med. Claudio Rosso, Basel

PD Dr. med. Alberto Schneeberger, Zürich

Dr. med. Gregor Szoelloesy, Basel

Dr. med. Giorgio Tamborini, Basel

Dr. med. Patrick Vavken, Basel

PROGRAM

DAY 1 | 5 SEPTEMBER 2014 – ARTHROSCOPY AND SPORTS MEDICINE SURGERY

Schedule	Topic	Faculty
from 07:30	Registration and welcome coffee	
08:00	Opening and welcome	C. Rosso A. Müller
	Anatomy and Biomechanics	C. Rosso A. Müller
08:10	Macroscopic Anatomy and Biomechanics	M. Müller- Gerbl
08:25	Exam and Sonography	G. Tamborini
08:40	Open Approaches to the Elbow	A. Müller
09:55	Arthroscopic Approaches	C. Rosso
09:10	Coffee break Industry – transfer to Lab	
	Cadaver Workshop – Arthroscopy	
09:30	Portals of Elbow Arthroscopy	C. Rosso
10:30	Diagnostic Elbow Arthroscopy	B. Jost
11:30	Arthroscopic Arthrolisis	A. Schneeberger
	Do-it-Yourself	
12:30	Lunch	
	Elbow Instability	B. Jost D. Rikli
13:15	Management of the Acute Dislocation	D. Rikli
13:30	Radial Ligementous Reconstruction	L. Oh
13:45	Medial Ligamentous Reconstruction	L. Oh
14:00	Coffee break Industry	
	Epicondylitis	P. Vavken L. Oh
14:30	Conservative Treatment	A. Müller
14:45	Operative Treatment Therapy – When and How?	P. Vavken
	The Stiff Elbow – mini-battle	D. Rikli A. Müller
15:00	Conservative Treatment	P. Vavken
15:15	Arthroscopic Arthrolisis	A. Schneeberger
15:30	Open Arthrolisis	B. Jost
15:45	Coffee break Industry – transfer to Lab	
	Cadaver Workshop – Sports Medicine	
16:15	Open Arthrolisis	B. Jost
17:15	Radial Ligamentous Reconstruction	L. Oh
18:15	Tommy-John Procedure	L. Oh
	Do-it-Yourself	
19:00	Wrap up of the day	C. Rosso A. Müller
20:00	Dinner	

Day 2 | 6 SEPTEMBER 2014 – RECONSTRUCTIVE SURGERY

Schedule	Topic	Faculty
08:00	Opening and welcome	A. Müller C. Rosso
	Fractures around the Elbow	A. Schneeberger L. Oh
08:10	Distal Humerus Fractures	D. Rikli
08:25	Olecranon Fractures: Always Tension-wiring?	G. Szoelloesy
08:40	Radial Head Fractures: conservative, ORIF, Prothesis?	P. Regazzoni
08:55	Osteosynthesis versus Prothesis	B. Jost
09:10	Pediatric Supracondylar Fractures	P. Vavken
09:25	Coffee break Industry – transfer to Lab	
	Cadaver Workshop – Distal Humerus 8 Radius	
10:00	Osteosynthesis Distal Humerus	D. Rikli
11:00	Radial Head Prothesis	P. Regazzoni
	Do-it-Yourself	
12:00	Lunch Industry	
	Soft tissue to hard metal	C. Rosso A. Müller
12:45	Distal Biceps Rupture: single / double incision, docking technique	L. Oh
	Prothetic Replacement	D. Rikli P. Regazzoni
13:00	Primary Total Elbow: Indications and Results	A. Schneeberger
13:15	Revisions: Pitfalls and the Way Out	B. Jost
15:20	Coffee break Industry – transfer to Lab	
	Final Cadaver Workshop	
14:00	Distal Biceps Rupture: The Docking Technique	L. Oh
15:00	Total Elbow	A. Schneeberger
16:00	Revision Total Elbow	B. Jost
	Do-it-Yourself	
17:00	Meeting closure Lessons learned – Certificates	C. Rosso A. Müller
17:15	End of meeting – Individual departure
