

# Amsterdam Live Endoscopy '16

**19 & 20 December 2016, Tenth Annual Course**  
Hotel Okura Amsterdam, The Netherlands

**First announcement 2016**

Amsterdam Live Endoscopy is celebrating its tenth anniversary in 2016. In all these years it has become one of the leading live-endoscopy meetings in Europe and maybe in the world, with around 500 participants each year. The focus of this meeting is on demonstration of high quality established endoscopic techniques and at the same time a view into the future treatment of our patients with gastrointestinal diseases. All this is situated in the excellent atmosphere of the Okura Hotel & Conference Centre, which has been the home of Amsterdam Live Endoscopy since 2007.

We will try to cover the spectrum of esophago-gastric, hepato-pancreato-biliary and small/large bowel endoscopy with a focus on standard as well as advanced interventional procedures.

**We invite you to come to the tenth edition of Amsterdam Live Endoscopy!**
