<i>Fiscon</i>	<i>V.</i>	<i>Sulfaro</i>	<i>A.</i>
<i>Godina</i>	<i>M.</i>	<i>Talento</i>	<i>P.</i>
<i>Infantino</i>	<i>A.</i>	<i>Teleky</i>	<i>B.</i>
<i>Innocente</i>	<i>R.</i>	<i>Terrosu</i>	<i>G.</i>
<i>Iorio</i>	<i>S.</i>	<i>Tipaldi</i>	<i>M.</i>
<i>Jayne</i>	<i>D.</i>	<i>Tonin</i>	<i>D.</i>
<i>Landolfi</i>	<i>V.</i>	<i>Tosolini</i>	<i>G.</i>
<i>Lazar</i>	<i>A.</i>	<i>Trompetto</i>	<i>M.</i>
<i>Lenisa</i>	<i>L.</i>	<i>Villani</i>	<i>R.D.</i>
<i>Lovisa</i>	<i>E.</i>	<i>Watanabe</i>	<i>K.</i>
<i>Lygidakis</i>	<i>N.J.</i>	<i>Zelic</i>	<i>M.</i>
<i>Mascagni</i>	<i>D.</i>		

### Chairmen

Nicolò de Manzini  
Roberto Petri

### Scientific Committee

Angelo Stuto - *Committee director*  
Marco Braga  
Marco Sacchi

**13/14**  
**MARCH 2014**  
**Pordenone**

## 13<sup>rd</sup> March 2014

**14.30 pm**

Congress Opening

RECOGNITION and MANAGEMENT of PELVIC FLOOR DISORDERS

Chairman: *V. Landolfi*

Moderators: *M. Trompetto, R.D. Villani*

**15.00 pm**

The pelvic floor disorders the history of last 15 yrs  
*P. Boccasanta*

**15.20 pm**

The Assessment: which diagnostic tools - *M. Boeller, G. Calabrò, G.A. Santoro*

**15.40 pm**

The Importance of a Multidisciplinary Team (MDT)  
*S. Brown, P. Talento*

**16.00 pm**

The No-Surgical approach - *F. Pucciani, P. Rossitti*

**16.20 pm**

The Transanal Approach - *G. Naldini, A. Renzi*

**16.40 pm** Coffee break

**17.00 pm**

The Transabdominal approach - *A. D'Hoore, S. Agradi*

**17.20 pm**

How to evaluate the outcome of Functional disease  
*A. Braini, L. Lenisa*  
Panelist: *Experts from Italy and Europe (Name TBC)*

## 14<sup>rd</sup> March 2014

**8.30 am**

FAST TRACK and ERAS IN COLORECTAL SURGERY

Chairman: *TBD*

Moderators: *TBD*

**8.30 am**

What are we talking about  
*M. Scatizzi*

**8.45 am**

The Literature Evidence  
Resident *TBD*

**9.00 am**

The Adoption Rate and Ongoing Experience

**9.15 am**

The role of Preoperative nutrition in ColoRectal Surgery  
*M. Zelic*

**9.30 am**

The Anesthesiologist Involvement - *TBD*

**9.45 am**

The Nurse Involvement - *TBD, E. Lovisa*

**10.00 am**

RECTAL CANCER - Chairman: *N. Ligydkis*

### SESSION 1 - Moderators: *G. Romano, D. Snidero*

**10.00 am**

Pre-op Staging of Rectal Cancer

**10.15 am**

*B. Teleky*

**10.30 am**

*D. Mascagni, Tipaldi*

**11.00 am**

Tips and Tricks of Laparoscopic Approach - *F. Corcione R. Petri*

When to convert, When to start with Open Procedure  
*M. Godina, G. Munegato*

**11.30 am**

The learning curve in Laparoscopy for Rectal Cancer  
*N. de Manzini, M. Piccoli*

**11.45 am**

Robotic Surgery for Rectal Cancer: State of the Art  
*J. Megevand, G. Spinoglio M. Morpurgo*

**12.00 am**

The Single site approach - *Y. Panis, M. Sorrentino*

**12.15 am**

Transanal TME: where we are and where we go - *F. Crafa, Pavanello*

### SESSION 2 - Moderators: *A. Risaliti, G. Carlini*

**12.30 am**

Local Excision (LE) and TEM vs Radical Surgery for Locally Advanced Rectal Cancer - *M. Bianchi, M. Morino*

**12.45 am**

The Endoscopic Resection: why and how - *G. Benedetti, TBD*

**01.00 pm**

Local Recurrence after Curative Surgery for Rectal Cancer  
*C. Lazar, M. Santoro*

**01.15 pm**

Quality of Life Evaluation in Rectal cancer Surgery  
*(F. Da Pozzo)*

**01.30 pm** Light Lunch

**02.30 pm**

Tailored Treatment for Locally Advanced Rectal Cancer  
*J. Daniels, P. Pucciarelli*

**02.45 pm**

The Strategy in Clinical Complete Response after Neoadjuvant Treatment: Surgery or Follow-up  
*P. Bardini, A. De Paoli*

**03.00 pm**

Molecular Peculiarities of Rectal Cancer: Influence on Surgical, CT and RT Strategies - *TBD*

**03.15 pm**

Best Practice in Rectal Surgery: the Pathologist Perspective  
*S. Sulfaro*

**03.30 pm**

Adjuvant Chemotherapy Following Combined Modality Treatment - *R. Innocente*

**03.45 pm**

Morbidity and Mortality Following Rectal Cancer Surgery  
*A. Balani, D. Jayne, M. Sacchi*

**04.00 pm**

Targed Immunotherapy for Rectal Cancer: new perspectives  
*TBD*

**04.15 pm**

Antiangiogenic strategy for colorectal cancer: Implications for adjuvant and anti-metastasis therapy - *D. Duda*

**04.30 pm**

Rectal Cancer and Distant Metastasis - *V. Fiscon, N. Ligydkis, T. Watanabe, M. Zelic, D. Tonin*

**04.45 pm**

Invited Experts and Panelists: *R. Cianni, G. De Marchi, A. Ettore, A. Infantino, G. Terrosu, G. Tosolini*

*Each topic will be preceded by a short presentation on the Literature Evidence. These short presentation will be done by surgical residents*
