

Thoracic Aorta Lisbon Symposium

Hospital de Santa Marta Cardiothoracic Department

Pestana Palace Hotel

Atualizado em 27 de JANEIRO 2014

preliminary program

Friday June 6th, 2014

9:00 **WELCOME AND**

José Fragata

INTRODUCTION

Alvaro Laranjeira Santos

9:05 h 1st session topic: Aortic Root and Ascending Aorta
--

Moderators José Fragata

Cardiothoracic Surgery, Hospital Santa Marta, Lisbon

El Khoury

Cardiac Surgery, University Brussels, Belgium

ASCENDING AORTA REPLACEMENT WITH VALVE SPARING

De Paulis

Cardiac Surgery, Rome, Italy

SURGERY FOR THE BICUSPID AORTIC VALVE: REPAIR OR REPLACEMENT

El Khoury

Cardiac Surgery, University Brussels, Belgium

GENETICS OF AORTA DISEASE: IDENTIFYING THE GENES THAT PREDISPOSES TO THORACIC AORTIC ANEURYSM AND ACUTE AORTIC DISSECTION

Isabel Gaspar

Genetics, Centro Hospitalar Lisboa Ocidental, Lisbon

THORACIC AORTA. PREOPERATIVE DIAGNOSIS AND PLANNING. INFLUENCE OF THE ' AORTA TEAM ' IN THE OUTCOME

Hugo Marques

Imagiology, Hospital Santa Marta, Lisbon

Painel DISCUSSANTS

Lino Patrício

Cardiology, Hospital Santa Marta, Lisbon

João Carlos Mota

Cardiothoracic Surgery, Hospital Gaia, Gaia

10:30 **Coffee -break**

11:00	2nd Session Options in the aortic arch: Open surgery, hybrid or isolated endografting
-------	--

Moderators JP Beregi

Interventional Radiology, Nimes, France

JP Neves

Cardiothoracic Surgery, Hospital Santa Cruz, Carnaxide

AORTIC ARCH INSIGHT. TREATMENT OPTIONS TODAY

JP Verhoye

Cardiovascular Surgery, Rennes, France

TOTAL ENDOVASCULAR AORTIC ARCH REPLACEMENT; CHIMNEYS AND PERISCOPE IN THE ARCH OR BRANCHED STENT GRAFTS THE VASCULAR VIEW

TOTAL ENDOVASCULAR AORTIC ARCH REPLACEMENT; CHIMNEYS AND PERISCOPE IN THE ARCH OR BRANCHED STENT GRAFTS. THE VASCULAR VIEW

OPEN SURGERY OR REROUTING OF THE ARCH VESSELS. THE CARDIAC SURGEON VIEW.

Carlos Velasquez

Cardiac Surgery, Sevilla, Spain

SANTA MARTA EXPERIENCE WITH HYBRID PROCEDURES

António Tomás

Cardiothoracic Surgery, Hospital Santa Marta, Lisbon

NEW INSIGHTS OF FROZEN ELEPHANT TRUNK IN TOTAL ARCH. ANTEROGRADE SELECTIVE CEREBRAL PERFUSION.

D. Pacini

Cardiovascular Surgery, Bologna University, Italy

Painel DISCUSSANTS

Miguel Abecassis

Cardiothoracic Surgery, Hospital Santa Cruz, Carnaxide

Duarte Cacula

Cardiology, Hospital Santa Marta, Lisbon

12:40

13:00 **LUNCH**

14:30 **3rd session topic: Type B Dissection**

Moderators

C. Nienaber

Cardiology, Rostock University, Germany

Mota Capitão

Vascular Surgery, Hospital Santa Marta, Lisbon

NATURAL HISTORY OF TYPE B DISSECTION. WHAT CAN WE EXPECT

Ruben Ramos

Cardiology, Hospital Santa Marta, Lisbon

ACUTE TYPE B. WHEN AND HOW INTERVENTION IS NEEDED?

J Albuquerque e Castro

Vascular Surgery, Hospital Santa Marta, Lisbon

WHEN TO TREAT AN UNCOMPLICATED TYPE B DISSECTION? IMPORTANCE OF 5 YEARS INSTEAD TRIAL AND THE ADSORB TRIAL

C. Nienaber

Cardiology, Rostock University, Germany

UNCOMPLICATED TYPE B DISSECTION; THE TEAR, FALSE LUMEN THROMBOSIS, THE AORTA DIAMETERS: WHEN TO INTERVENE AND HOW EARLY.

JP Beregi

Interventional Radiology, Nimes, France

HYBRID PROCEDURES IN CHRONIC TYPE B DISSECTION

Alvaro Laranjeira Santos

Cardiothoracic Surgery, Hospital Santa Marta, Lisbon

Painel DISCUSSANTS

João Silva e Castro

Vascular Surgery, Hospital Santa Marta, Lisbon

Rui Teles

Cardiology, Hospital Santa Cruz, Carnaxide

16:15 **Coffee break**

16:30 **Set of clinical cases** 5 minutes/each

Moderators and discussants

Miguel Sousa Uva

Cardiothoracic Surgery, Hospital Cruz Vermelha, Lisbon

Vitor Monteiro

Cardiothoracic Surgery, Hospital S. João, Oporto

- 1 Rupture of the ascending aorta - 2 case REPORTS
- 2 Giant pseudoaneurysm
- 3 Total THORACIC aortic replacement
- 4

17:00 **4th session topic: Type A aortic dissection and complex thoracic aorta**
ao

Moderators

Jacob Heinz

West German Heart Center, Essen, Germany

Paulo Pinho

Cardiothoracic Surgery, Hospital S. João, Oporto

TYPE A DISSECTION. A CONSERVATIVE APPROACH

Alvaro Laranjeira Santos

Cardiothoracic Surgery, Hospital Santa Marta, Lisbon

**TYPE A DISSECTION WITH SURGICAL CONTRAINDICATIONS,
IS REALISTIC AN ENDOVASCULAR INTERVENTION?**

Vasco da Gama

Cardiology, Centro Hospitalar Vila Nova de Gaia, Gaia

TREATMENT OF ACUTE TYPE A AORTIC DISSECTION. THE ESSEN APPROACH

Heinz Jacob

West German Heart Center, Essen, Germany

**MEGA AORTIC SYNDROME. THE SANTA MARTA EXPERIENCE WITH HYBRID
APPROACH**

Luis Rodrigues

Cardiothoracic Surgery, Hospital Santa Marta, Lisbon

Painel DISCUSSANTS

Angelo Nobre

Cardiothoracic Surgery, Hospital Santa Maria, Lisbon

Pedro Braga

Cardiology, Centro Hospitalar Vila Nova de Gaia, Gaia

18:30 **Final considerations and closure**

José Fragata, Alvaro Laranjeira Santos
