

## AOTrauma Course—Wrist

06 Jun 2016 - 07 Jun 2016, Coventry, United Kingdom

### Monday, 06 Jun 2016 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
12:00	14:00	Other Pre-course Faculty Meeting (Faculty Only)		Lecture Room	120	
14:00	14:20	Other Registration			20	
14:20	14:30	Opening remarks Welcome		Lecture Room	10	
14:30	14:40	Lecture Distal Radius Fracture Patterns		Lecture Room	10	
14:40	15:30	Discussion Indications for Fixation Methods and Fixation DRAFFT & Arora papers		Lecture Room	50	
15:30	15:40	Lecture K-wire fixation of distal radius		Laboratory	10	
15:40	16:40	Workshop (cadaver) K-wire Fixation		Laboratory	60	
16:40	16:50	Lecture External Fixation of the Distal Radius		Laboratory	10	
16:50	17:30	Workshop (cadaver) Application of External Fixator		Laboratory	40	

## AOTrauma Course—Wrist

06 Jun 2016 - 07 Jun 2016, Coventry, United Kingdom

### Tuesday, 07 Jun 2016 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
08:30	08:40	Lecture Volar approach to the Distal Radius		Laboratory	10	
08:40	09:40	Workshop (cadaver) Volar plate fixation of Extra Articular Fracture		Laboratory	60	
09:40	10:30	Discussion Extra-articular fractures and simple intra-articular fractures of the distal radius		Discussion Rooms	50	
10:30	10:50	Tea & Coffee		Lecture Room	20	
10:50	11:00	Lecture Dorsal approach to the distal radius		Laboratory	10	
11:00	12:00	Workshop (cadaver) Dorsal plate fixation of Intra-articular fracture of Distal Radius		Laboratory	60	
12:00	13:00	Discussion Intra-articular fracture of the distal radius		Discussion Rooms	60	
13:00	14:00	Lunch		Seminar Room	60	
14:00	14:20	Lecture Guest Lecture: Distal Radius, DR fracture complications & pitfalls & how to avoid them		Lecture Room	20	
14:20	14:25	Lecture Fractures of the distal ulna/ulna styloid. When to fix?		Laboratory	5	
14:25	15:00	Workshop (cadaver) Distal Ulna Fixation		Laboratory	35	

## AOTrauma Course—Wrist

06 Jun 2016 - 07 Jun 2016, Coventry, United Kingdom

### Tuesday, 07 Jun 2016 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
15:00	16:15	Discussion Complex DR fractures & salvage options		Discussion Rooms	75	
16:15	16:30	Tea & Coffee		Lecture Room	15	
16:30	17:00	Other Experts Symposium: Tips & Tricks of Distal Radius Fracture Fixation (MK, DE, MC, IM)		Lecture Room	30	
17:00	17:30	Lecture Management of Acute Scaphoid Fractures including discussion		Lecture Room	30	
17:30	18:00	Workshop (cadaver) Scaphoid Fracture Fixation		Laboratory	30	
18:00	18:10	Closing remarks Closing remarks		Lecture Room	10
