

## AOTrauma Course—Advanced Principles of Fracture Management for ORP

29 Jun 2016 - 01 Jul 2016, Leeds, United Kingdom

Wednesday, 29 Jun 2016 (Day 1)					
Start	End	Title	Moderators/Faculty	Location/Documents	Duration
11:00	12:15	Other Pre-course meeting (faculty only)		Lecture room	75
12:15	13:00	Other Registration (including lunch)		Foyer Area	45
13:00	13:05	Lecture Welcome		Lecture room	5
13:05	13:30	Lecture Introduction to Patients A & B		Lecture room	25
13:30	13:55	Lecture Polytrauma Management: Action Plan		Lecture room	25
13:55	14:25	Lecture Interpreting X-Rays, Radiation Safety		Lecture room	30
14:25	14:55	Lecture Emergency Management of Pelvic & Acetabular fractures		Lecture room	30
14:55	15:20	Lecture Ex fix Indications & Polytrauma Management		Lecture room	25
15:20	16:00	Discussion Discussion 1. Planning & Treatment Priorities (including Tea & Coffee)		Discussion rooms	40
16:00	16:05	Travel time to practical			5
16:05	17:25	Discussion Practical 1: Ankle Spanning External Fixator			80

## AOTrauma Course—Advanced Principles of Fracture Management for ORP

29 Jun 2016 - 01 Jul 2016, Leeds, United Kingdom

### Wednesday, 29 Jun 2016 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
		Course Dinner at 8pm			0	

## AOTrauma Course—Advanced Principles of Fracture Management for ORP

29 Jun 2016 - 01 Jul 2016, Leeds, United Kingdom

Thursday, 30 Jun 2016 (Day 2)					
Start	End	Title	Moderators/Faculty	Location/Documents	Duration
09:00	09:05	Lecture Welcome & reflection on the day		Lecture room	5
09:05	09:25	Lecture Distal Femoral Fractures		Lecture room	20
09:25	09:55	Lecture Intra-articular & Periprosthetic Fractures		Lecture room	30
09:55	10:00	Travel time to discussion			5
10:00	10:45	Discussion Discussion 2. Open fractures		Discussion rooms	45
10:45	11:05	Tea & Coffee		Foyer Area	20
11:05	12:15	Workshop (dry bone) Practical 2. Distal Femoral LCP		Practical rooms	70
12:15	12:20	Travel time to lecture			5
12:20	12:50	Lecture Emergency Management of Spinal Trauma		Lecture room	30
12:50	13:35	Lunch		Foyer Area	45
13:35	14:05	Lecture Positioning of Prone Patients & Log Rolling Demo		Lecture room	30
14:05	14:30	Lecture Lower Limb Trauma		Lecture room	25
14:30	14:50	Lecture Soft Tissue Coverage		Lecture room	20

## AOTrauma Course—Advanced Principles of Fracture Management for ORP

29 Jun 2016 - 01 Jul 2016, Leeds, United Kingdom

### Thursday, 30 Jun 2016 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
14:50	15:15	Lecture Compartment Syndrome		Lecture room	25
15:15	15:35	Tea & Coffee		Foyer Area	20
15:35	16:20	Discussion Discussion 3. Lower Limb Trauma		Discussion rooms	45
16:20	16:25	Travel time to practical			5
16:25	17:25	Workshop (dry bone) Practical 3. Proximal Femoral Nailing (PFNA)		Practical rooms	60
17:25	17:30	Travel time to lecture room			5
17:30	17:45	Discussion Discussion of the day		Lecture room	15

## AOTrauma Course—Advanced Principles of Fracture Management for ORP

29 Jun 2016 - 01 Jul 2016, Leeds, United Kingdom

### Friday, 01 Jul 2016 (Day 3)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
09:00	09:10	Lecture Welcome & Reflection on the day		Lecture room	10	
09:10	09:40	Lecture Upper Limb Trauma		Lecture room	30	
09:40	09:45	Travel time to discussion			5	
09:45	10:30	Discussion Discussion 4. Upper Limb Trauma		Discussion rooms	45	
10:30	10:50	Tea & Coffee			20	
10:50	11:50	Workshop (dry bone) Practical 4. Proximal Humerus Fracture		Practical rooms	60	
11:50	11:55	Travel time to lecture room			5	
11:55	12:15	Lecture Patients Summary A & B: Outcomes of Injury and Treatment Options		Lecture room	20	
12:15	12:30	Lecture AO Portal		Lecture room	15	
12:30	12:35	Closing remarks Close & Evaluation			5
