Allegra! Dear Sirs,

We are pleased to confirm that the 2014/2015 skiing season at the village of Pontresina will end on 22 March 2015, with the Languard ski-lift starting operation on 20 December 2014 (or at Christmas, depending on snow and weather conditions).

It would be a great pleasure for us to welcome you back to our Congress Centre in 2015, holding your traditional Vascular Workshops.

Cun cordiels salüds
