LINNC SEMINAR 2016

COURSE DIRECTORS

Jacques MORET

Laurent SPELLE

Giuseppe LANZINO

Michel E. MAWAD

LINNC SEMINAR: Immerse yourself in a truly interactive and educational program led by renowned Faculty: it can have an immediate and positive impact on your daily practice!

More than ever, within a specialty as vibrant and in constant evolution as our own, the importance of education and the effective exchange of clinical knowledge and techniques have become our new challenges.

To respond to these challenges, **we built this new educational tool around pre-recorded cases.** These cases have been carefully chosen to create illuminating discussions using the widest selection of patients and indications as well as the largest variety of technical equipment in use today.

Beyond the choice of subjects and their presentation to the participants, **using pre-recorded cases also offers something which is inestimable – the actual experience and presence of the operator who performed the case.** These recorded case sessions will include discussion by an expert panel concentrating on specific topics such as: aneurysms; AVMs in general; specific AVMs such as of those of the spine and spinal cord, spinal dural AVMs; the management of complications, cerebral stroke, and also the possible discussion on percutaneous techniques.

Your participation, your willingness to share with us your own cases and concerns is one of the foundations of our pedagogy. **At the LINNC SEMINAR, this interaction will be underlined each day with the presentation of the best cases submitted by you, the participants.**

For those who can, we urge you to join us in New York City on March 18th and 19th, for the second LINNC SEMINAR 2016 – US EDITION, an educational forum dedicated to the advancement of our practice through in-depth discussions of these critical and breaking issues. To ensure that each participant leaves with the knowledge he or she needs to impact their daily practice, LINNC SEMINAR 2016 has been designed to be open and highly interactive.

We look forward to seeing you in New York!

Sincerely,

Course Directors.

YOU SAID IT BEST!

The Texas Heart institute conducted a quality audit amongst LINNC Seminar 2015 participants and we are happy to share the results with the community!

Broadly positive opinions about the course

The presentations kept my interest	72,7% strongly agree
Presentations were organized clearly enough for learning to occur	57,6% strongly agree and 42,4% agree
My overall expectations of this educational activity were met	63,6% strongly agree and 36,4% agree

Speakers at the heart of interactivity

The speakers encouraged participant questions	60,6% strongly agree
The speakers responded to questions in a helpful way	48,5% strongly agree and 45,5% agree

A practical course relevant to your daily practice

This activity will assist in the improvement of my:	Competence:	78.8%
	Performance:	78.8%
	Patient outcome:	51.5%

Based on what I learned during this educational activity, I plan to make the following changes to my practice:

The activity validated my current practice:	60,6%
Modify treatment plans:	48,5%
Use resources/referrals more effectively:	39,4%
Incorporate improved diagnostic strategies into patient evaluation:	30,3%
Change my screening/prevention practice:	15,2%
Use enhanced communication methodologies with patients, families or the healthcare team:	15,2%

In your own words

"It is a new and very promising concept"

"I felt that the symposium accomplished its intentions in creating an informal and interactive environment which allowed for an intense exchange of ideas"

"The LINNC Seminar and courses are fantastic and very educational – I learned so much!"

FRIDAY 18 MARCH 2016

7:00-8:00 Breakfast

8:00-12:30 MORNING

8:00 Welcome message - J. Moret, G. Lanzino, M. Mawad, L. Spelle

Presentation of the best cases submitted by attendees

8:30 **Recorded Cases & Cases Discussion**
(aneurysm, avm... detailed program on-site)

10:00 Coffee break & Visit of the exhibition area

10:30 **Recorded Cases & Cases Discussion**
(aneurysm, avm... detailed program on-site)

12:10 **Industry sponsored Symposium**

12:40 Lunch Break

13:15-17:30 AFTERNOON

13:15 **Recorded Cases & Cases Discussion**
(aneurysm, avm... detailed program on-site)

14:15 **Industry sponsored Symposium**

14:45 **Recorded Cases & Cases Discussion**
(aneurysm, avm... detailed program on-site)

15:30 Coffee break & Visit of the exhibition area

16:00 Round Table - Take home message of the day

SATURDAY 19 MARCH 2016

7:00-8:00 Breakfast

8:00-12:30 MORNING

Presentation of the best cases submitted by attendees

8:30 Recorded Cases & Cases Discussion
(aneurysm, avm... detailed program on-site)

10:00 Coffee break & Visit of the exhibition area

10:30 Recorded Cases & Cases Discussion
(aneurysm, avm... detailed program on-site)

12:10 Industry sponsored Symposium

12:40 Lunch Break

13:15-17:30 AFTERNOON

13:15 Recorded Cases & Cases Discussion
(aneurysm, avm... detailed program on-site)

14:15 Industry sponsored Symposium

14:35 Recorded Cases & Cases Discussion
(aneurysm, avm... detailed program on-site)

15:30 Coffee break & Visit of the exhibition area

16:00 New Technologies: What's new in the start-ups?

16:30 Round Table - Take home message of the day

LEARNING OBJECTIVES

Upon completion of this activity, the learner should be able to:

- Describe the indications of treatment for aneurysms, AVMs, specific AVMs such as of those of the marrow (spine and spinal cord), spinal dural AVMs; the management of complications, cerebral stroke, and also on percutaneous techniques and balance the beneficial outcomes from treatment procedures, endovascular or surgical, against the natural history of the disease.
- Demonstrate the high-quality practice of interventional neuroradiology and neurosurgery in a team environment.
- Review information regarding basic and clinical research in diseases, including techniques and technologies of interventional neuroradiology and neurosurgery.
- Explain the role of imaging in the diagnosis and management of those neurovascular disorders.

EDUCATIONAL METHODS

- Lectures • Question and Answer Sessions
- Recorded cases • Round Table Discussions
- Audiovisual Presentations

CREDIT DESIGNATION

Program accreditation is being reviewed.

ACCREDITATION

The American Medical Association (AMA) and the Royal College of Physicians and Surgeons of Canada (Royal College) have renewed their CME agreement. Under the new agreement, select activities approved for Royal College MOC Credits are eligible for conversion to AMA PRA Category 1 Credit™. This agreement is in place from Jan. 1, 2013 through Dec. 31, 2016.

National Specialty Societies and Simulation Programs that have been approved by the Royal College as accredited CPD providers are covered by this agreement.

UEMS/EACCME CME CREDIT RECOGNITION

The American Medical Association (AMA) has an agreement of mutual recognition of continuing medical education (CME) credit with the European Union of Medical Specialties (UEMS). Under the terms of this agreement, renewed in 2010, the AMA will convert CME credit for live and e-learning activities certified by the European Accreditation Council for Continuing Medical Education (EACCME), the accrediting arm of the UEMS, to AMA PRA Category 1 Credit™. European physicians can earn their ECEMEC®s by attending live events that have been certified for AMA PRA Category 1 Credits™.

DISCLOSURES

In accordance with the Standards for Commercial Support established by the Accreditation Council for Continuing Medical Education (ACCME), anyone in a position to control the content of the educational activity (speakers, paper presenters/authors, co-authors, staff, and the significant others of those mentioned), are required to disclose any relationship they have with commercial interests which may be related to the content of their lecture. Failure or refusal to disclose or the inability to satisfactorily resolve the identified conflict may result in the withdrawal of the invitation to participate in any Texas Heart Institute at St. Luke's Episcopal Hospital education activities. The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months that create a conflict of interest. The ACCME defines a "commercial interest" as any entity producing marketing, re-selling, or distributing healthcare goods or services consumed by, or used on, patients. Disclosures will be published in the meeting program/handouts.
