

AOSpine Advanced Specimen Course (AMTS)

23 Jun 2014 - 24 Jun 2014, Muttentz, Switzerland

Monday, 23 Jun 2014 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
08:00	08:30	Discussion Registration			30
08:30	09:00	Opening remarks Welcome	Claudio Lamartina; Patrick Tropiano		30
09:00	10:30	Practical Exercise			90
09:00	10:30	Workshop (cadaver) C1-C2 posterior approach (Magerl and Harms technique) Lateral mass screwing in C3-C4			90
10:30	10:45	Coffee break			15
10:45	13:00	Practical Exercise			135
10:45	11:55	Workshop (cadaver) How to perform postero-lateral approach in thoracic spine (disk and vertebral body diseases)			70
11:55	13:00	Workshop (cadaver) Posterior osteotomies in thoracic spine (Ponte osteotomy)			65
13:00	13:45	Lunch			45
13:45	15:15	Practical Exercise			90

AOSpine Advanced Specimen Course (AMTS)

23 Jun 2014 - 24 Jun 2014, MuttENZ, Switzerland

Monday, 23 Jun 2014 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
13:45	14:30	Workshop (cadaver) How to perform an interlaminar approach of lumbar spine (disc herniation, stenosis)			45
14:30	15:15	Workshop (cadaver) How to perform a PLIF and TLIF			45
15:15	15:30	Coffee break			15
15:30	18:00	Practical Exercise			150
15:30	16:30	Workshop (cadaver) How to perform a good posterior fusion			60
16:30	17:15	Workshop (cadaver) Lumbar osteotomies (SPO and PSO)			45
17:15	18:00	Workshop (cadaver) Pelvis fixation			45
18:00	18:00	Transfer back to Basel			0

AOSpine Advanced Specimen Course (AMTS)

23 Jun 2014 - 24 Jun 2014, Muttentz, Switzerland

Tuesday, 24 Jun 2014 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
08:30	10:30	Practical Exercise			120
08:30	09:30	Workshop (cadaver) Anterior lateral approach of the thoraco-lumbar junction			60
09:30	10:30	Workshop (cadaver) Lateral transposas approach of the lumbar spine			60
10:30	10:45	Coffee break			15
10:45	12:30	Practical Exercise			105
10:45	11:45	Workshop (cadaver) Anterior cervical discectomy and corpectomy (i.e. C5)			60
11:45	12:30	Workshop (cadaver) Anterior approach of the cervico-thoracic junction			45
12:30	13:15	Lunch			45
13:15	15:30	Practical Exercise			135
13:15	14:15	Workshop (cadaver) Left anterior approach of the L4-L5 disc and ALIF technic			60
14:15	15:15	Workshop (cadaver) Right anterior approach of L5-S1 disc and disc replacement specificity			60

AOSpine Advanced Specimen Course (AMTS)

23 Jun 2014 - 24 Jun 2014, MuttENZ, Switzerland

Tuesday, 24 Jun 2014 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
15:15	15:30	Lecture Summary / Closure			15
