

ISPP International Society for Pelviperineology

12th–15th September 2014 · Munich · Germany

Welcome to Munich - doorway to the Bavarian Alps

Enhance your skills in incontinence and POP vaginal surgery, pelvic anatomy, mesh, Botox, anorectal problems from leading world experts
Stay for Oktoberfest, commencing Saturday 20.09.2014

What is ISPP?

The International Society for Pelviperineology is composed of Urologists, Gynecologists and Coloproctologists with a common interest in the anatomy, function, dysfunction and surgery of the pelvic floor.

Venue Central Munich

Literaturhaus and Institute of Anatomy, University of Munich – within walking distance of many city hotels.

We hope to see you in Munich.

Visit the ISPP website at www.pelviperineology.com

Bernhard Liedl, ISPP President

ISPP Executive Committee

President: Bernhard Liedl: Urologist, Munich
Vice President: Bruce Farnsworth: Gynecologist, Sydney
Secretary: Darren Gold: Coloproctologist, Sydney
Treasurer: Richard Reid: Gynecologist, Sydney

ISPP 2014 Conference Organizing Committee

Conference Chairman: Dr. med. Bernhard Liedl
Zentrum für UrogenitalChirurgie
Beckenbodenzentrum München
Denninger Strasse 44, D-81679 München
Secretary: Mrs Laura Mir-Heidari
Tel: +49-89-92794-1522
Fax: +49-89-92794-1523
E-mail: MirHeidari@chkmb.de
Committee: Bruce Farnsworth, Peter Petros,
Oliver Markovsky, Laura Mir-Heidari,
Andri Nieuwoudt, Richard Reid

Conference-Fee:

350 Euro (12th-15th Sept), including anatomy workshops
150 Euro per day, residents pay half the price
Bank account: HypoVereinsbank München
BIC: HYVEDEMMXXX
IBAN: DE35 7002 0270 0659 5521 75
Account-Holder: Chirurgische Klinik, Dr. Liedl
Key-word: ISPP Conference 2014

CPD-points available

International Faculty

Germany Rüdiger Baumeister: Plastic surgeon, Munich
Robert Dahlem: Urologist, Hamburg
Christiane Fahrtmann: Gynecologist, Freiburg
Klaus Goeschen: Gynecologist, Hannover
Christian Fünfgeld: Gynecologist, Tettngang
Bernhard Liedl: Urologist, Munich
Andreas Müllen: Engineer, Aachen
Andreas Niesel: Gynecologist, Preetz
Faramarz Pakravan: Coloproctologist, Düsseldorf
Florian Wagenlehner: Urologist, Gießen
Karl-Dietrich Sievert: Urologist, Tübingen

Austria Burghard Abendstein: Gynecologist and surgeon, Hall

Israel Fink Keshet: Gynecologist, Safed
Menahem Neumann: Gynecologist, Tel Aviv

Australia Darren Gold: Coloproctologist, Sydney
Peter Petros: Gynecologist, Sydney
Richard Reid: Gynecologist, Sydney

Netherlands Andri Nieuwoudt: Gynecologist, Terneuzen

Turkey Akin Sivasoglu: Gynecologist, Ancara

USA Suzette Sutherland: Urologist, Seattle
Carl Zimmerman: Gynecologist, Nashville

Social Program

Tour to Schloss Herrenchiemsee with dinner

Saturday, 13th September, afternoon

Start with bus at 12:00 at Literaturhaus

Fee: Euro100,-- (including transport, guide, coffee break, dinner)

Please make **reservation:** Secretary Mir-Heidari
E-mail: mirheidari@chkmb.de
Key-word: Herrenchiemsee

Conference Gala Dinner at Spatenhaus

Residenzstrasse 12, 1st Floor, with view to the Opera house

Sunday, 14th September

Fee: Euro 90,--

Please make **reservation:** Secretary Mir-Heidari
E-mail: mirheidari@chkmb.de
Key-word: Dinner Spatenhaus

Recommended pre and post tours:

2-3 day tour to Berchtesgaden and Salzburg (www.berchtesgaden.de,
www.salzburg.info)

1 day tour to Schloss Neuschwanstein (www.neuschwanstein.com)

tours and events in Munich and surroundings (www.muenchen.de)

Inserat
128 mm breit
30-45 mm hoch

Pre-Conference Workshops

Pre-Conference Satellite Workshop in Terneuzen, Netherlands

Thursday, 4th and Friday, 5th September

„Multisurgeon live Master Class in Vaginal Native Tissue Surgery“
This Master Class will be limited to only 30 attendees on a first come first served basis.

Faculty: Andri Nieuwoudt, Carl Zimmerman, Sunil Doshi,
Seth Finkelstein

Contact: Andri Nieuwoudt: E-mail: nieuwoudt@gmail.com

Fee: will be announced

CPD-points: 12

Pre-Conference Live-Surgeries

Thursday, 11th September 2014

Chirurgische Klinik München-Bogenhausen, Denninger Str. 44

- TFS-surgery for POP and incontinence
 - Elevate anterior/apical in vaginal prolapse
 - Advance sling for male stress urinary incontinence
 - Artificial sphincter in male stress urinary incontinence
- Lectures with interactive discussions will take place between the surgeries.

Faculty: B. Liedl, P. Petros, A. Gunnemann, C. Zimmerman, R. Reid, L. Lander, M. Haverfield, Y. Sekiguchi, H. Inoue, C. Gozzi
Limited to 40 attendants, please make reservation on a first come first served basis:

Contact: Sekretariat Dr. Liedl: Mrs Mir-Heidari
E-mail: mirheidari@chkmb.de

Fee: 100 Euro

CPD-points available

CONFERENCE PROGRAM

(CPD points available)

Friday, 12th September 2014
Literaturhaus, Salvatorplatz 1

08:00 Registration

08:30 Introduction and welcome by B. Liedl, President, Munich

Actual status of the FDA warning against mesh and consequences

Chairmen: *R. Reid, K. Göschen*

08:35 FDA-warning against meshes in the pelvic floor: Actual sight
M. Neumann, Tel Aviv

08:45 Meshes from the view of pathology and law – experiences as an expert witness in the USA
B. Klosterhalfen, Düren

09:15 From the polymer to the optimal textile implant – a challenge for the engineer
A. Müllen, B. Obolenski, Aachen

09:35 Discussion

09:45 Coffee break, visit of industry exhibition

Principles of pelvic floor surgery

Chairman: *C. Zimmerman, B. Liedl*

10:00 An update on the anatomy of DeLancey level I and III pelvic supports
L. Lander, Brisbane

10:10 An update on the anatomy of DeLancey level II supports
R. Reid, Sydney

10:20 Development of midurethral sling and TFS-surgery: experimental phase and clinical development
P. Petros, Sydney

10:35 Prolapse surgery in the last 100 years – Are we doing any better?
R. Jewell, Bunbury

10:50 The basic principles of vaginal native tissue repair; synthetic material repair; third generation biograft repair
L. Lander, Brisbane

11:10 Basis and technique of site specific repair in prolapse surgery
C. Zimmerman, Nashville

11:30 Thoughts on regenerative vaginal surgery
A. Nieuwoudt, Terneuzen

11:40 Discussion

12:00 Lunch

Actual longterm experiences in the use of meshes at the pelvic floor

Chairmen: *C. Fünfgeld, A. Gunnemann*

13:15 Results of the multi-center PARETO-mesh-study
A. Fahrtnann, Freiburg

13:30 Impact of mesh-supported anterior colpoplasty on life quality and sexual function
B. Fünfgeld, Tettnang

13:45 2-year-followup results in the use of Elevate anterior/apical and Elevate posterior/apical (Propel-study)
B. Liedl, Z. Sutherland, Munich, Seattle

13:55 Longterm results of uterine preservation in cases of uterine prolapse with single incision vaginal mesh, a retrospective case series
K. Fink, N.M. Braun, Safed

14:05 TFS surgery for 3rd & 4th degree POP- 5 year data
H. Inoue, Yokohama

14:15 Discussion

14:30 Coffee break, visit of the industry exhibition

Mesh-surgery: technical variations

Chairmen: *M. Neumann, C. Fahrtnann*

- 14:50 The SERAPRO, an innovative re-usable suturing device for trans-vaginal sacrospinous fixation: feasibility and safety study
T. Friedman, M. Neuman, H. Krissi, Safed, Tel Aviv
- 15:00 Contracture of the mesh implants surface area in pelvic organ prolapse repair
N. Sumerova, D. Pushkar, M. Neuman, K. Haim, Moscow, Safed
- 15:10 First results with mini vaginal mesh implant for pelvic floor prolapse repair: a prospective multi-center study.
N. Marcus-Braun, A. Tsivian, M. Halaska, M. Neuman Tel Aviv, Safed
- 15:20 The rationale for mesh usage in the pelvic floor repair: what do we expect?
A. Sivaslioglu, Izmir
- 15:40 Surgical approach to 4th degree total pelvic organ prolapse
K. Goeschen, Hannover
- 16:00 Reinforcement of suspensory ligaments under local anesthesia cures pelvic organ prolapse – 24 month results
Yuki Sekiguchi, Yokohama
- 16:10 Laparoscopic apical suspension with VASA
U. Göretzlehner, Ehingen
- 16:20 Discussion
- 16:40 Coffee break, visit of industry exhibition

Insertat
128 mm breit
44 mm hoch

Saturday, 13th September 2014 Literaturhaus, Salvatorplatz 1, 3rd floor

Reconstruction of vagina, treatment of lymphedema

Chairmen: *R. Baumeister, L. Lander*

- 08:30 Reconstruction of vagina in transsexualism, after surgery or radiotherapy
B. Liedl, Munich
- 08:45 Tethered vagina syndrome: pathophysiology, diagnostic features and surgical repair
K. Goeschen, Hannover
- 09:00 Discussion
- 09:05 Microsurgical reconstruction in iatrogenic lymphedemas – state of the art
R. Baumeister, Munich
- 09:25 Discussion
- 09:30 Coffee break and visit of industry exhibition

Miscellaneous

Chairmen: *A. Gunnemann, A. Nieuwoudt*

- 09:45 Nocturia: Causes and therapeutical approaches
D. Merz, München
- 10:00 Nocturia caused by apical descent
A. Gunnemann, Detmold
- 10:15 Female urethral diverticulum: development of a new operative procedure
O. Markovsky, B. Liedl, Munich
- 10:25 LUTS in Erectile dysfunction
B. Lynch, Sydney
- 10:35 Colorectal assessment before major pelvic surgery
M. Marfan, Milton

10:45 Botox in OAB and neurogenic bladder
M. Stöhrer, Murnau

11:00 Discussion

11:20 Bavarian „Brotzeit“

12:00 Tour to Herrenchiemsee, start with bus at Literaturhaus

Inserat
128 mm breit
148 mm hoch

Sunday, 14th September 2014 Literaturhaus, Salvatorplatz 1, 3rd floor

Complex pelvic floor dysfunctions – therapeutic strategies

Chairmen: *S. Sutherland, F. Wagenlehner*

- 08:30 From experimental research to future drug therapy
C. Gratzke, Munich
- 08:50 Neuromodulation: Overview
S. Sutherland, Seattle
- 09:10 Neuromodulation in neurogenic bladder dysfunction
K. D. Sievert, Tübingen
- 09:40 From function of sarcomeres to pelvic floor dysfunctions
B. Liedl, Munich
- 10:00 Experiences in 500 cases with posterior fornix syndrom
A. Müller-Funogea, Aachen
- 10:10 Discussion
- 10:25 Coffee break, visit of industry exhibition

Cure of non-neurogenic urge incontinence

Chairmen: *T. Bschleipfer, W. Jaeger*

- 10:40 Pathophysiology of Overactive Bladder (OAB)
T. Bschleipfer, Weiden
- 10:55 Cure of urge incontinence by TFS surgery
P. Petros, Sydney
- 11:05 Surgical treatment of urge incontinence by VASA/CESA
W. Jaeger, Cologne
- 11:20 Impact of apical fixation in mesh-supported anterior
colpoplasty on urge incontinence
C. Fünfgeld, Tettnang
- 11:25 Effect of Elevate anterior and posterior on OAB-symptoms
B. Liedl, S. Sutherland, Munich, Seattle
- 11:30 Discussion

11:40 **Round table discussion on cases**

S. Sutherland, C. Gratzke, B. Liedl, W. Jaeger, C. Fünfgeld, P. Petros
Discussion of cases

12:30 Lunch

Surgery in stress urinary incontinence

Chairmen: *B. Abendstein, A. Sivaslioglu*

13:15 Pathophysiology of stress urinary incontinence
O. Markovsky, Munich

13:20 Surgical treatment of urinary stress incontinence with an adjustable, retropubic tension-free vaginal tape (TVA, AML) in women with risk factors
A. Niesel, E. Faust, Preetz

13:30 Eleven years prospective follow-up of the adjustable tape TVA procedure for treatment of stress urinary incontinence
J. Romero, Alicante

13:40 Ingynious update
E. Mistrangelo, Genova

13:50 Simultaneous treatment of stress urinary incontinence and cystocele with the cystocele mesh: A comparative prospective study
N. Marcus-Braun, P. van Theobald, Caen

13:40 TOT versus SIMS
A. Sivaslioglu, Izmir

14:10 Longterm results of mini-sling procedure for stress urinary incontinence in patients with mixed urinary incontinence
D. Levi, N. Marcus-Braun, Safed

14:20 Outpatient mid urethral tissue fixation system sling for urodynamic stress urinary incontinence: 2-year results and quality of life
Yuki Sekiguchi, Ayako Nakamuram, Yokohama

14.30 Discussion

State of the art lecture

Chairman: *P. Petros, G. Dodi*

14:40 Fecal incontinence and abnormal bowel emptying caused by pelvic floor defects
B. Abendstein, Hall

14:55 Coffee break, visit of industry exhibition

Pelvic pain

Chairmen: *F. Wagenlehner, A. Niesel*

15:10 Pelvic pain in men and women: an overview
F. Wagenlehner, Gießen

15:25 Pelvic pain caused by apical prolapse: cure by Elevate anterior/apical and Elevate posterior/apical
O. Markovsky, Munich

15:35 Pelvic pain caused by apical prolapse: cure by TFS surgery
P. Petros, Sydney

15:45 Pelvic pain following transvaginal mesh surgery: a reason for mesh removal
N. Marcus-Braun, P. van Theobald, Caen

15:55 Pelvic pain caused by endometriosis
M. Kramer, Munich

16:05 Insights into mechanisms of urogenital pain based on pain site mapping
M. Jantos, Adelaide

16:20 Discussion

16:40 Coffee break, visit of industry exhibition

19:00 **Gala dinner at Spatenhaus,
Residenzstrasse 12, 1st floor**

Monday, 15th September 2014
Anatomische Anstalt, LMU München,
Pettenkofer Strasse 11

Cadaver dissections
in female and male cadavers

- 08:30 Mesh surgery and female artificial sphincter
B. Liedl, Munich
Acticon
F. Pacravan, Düsseldorf
Male sling and different sites of cuff placement
R. Dahlem, Hamburg
TFS surgery
R. Reid, Sydney, B. Liedl, Munich
- 10:30 Coffee break
- 11:00 Demonstration of anatomical preparations
- 12:00 Lunch

Surgery in stress urinary incontinence and urethral stricture

Chairman: *B. Liedl, R. Dahlem*

- 13:00 Surgery in male urethral stricture, actual overview
R. Dahlem, Hamburg
- 13:20 Development of the advance of male sling: actual status
B. Gozzi, Rome
- 13:40 Data and video retropubic TFS sling for male incontinence
S. Muctar, Krefeld
- 13:55 The artificial sphincter in female and male stress urinary incontinence
R. Dahlem, M. Fisch, Hamburg
- 14:15 Discussion

Anorectal dysfunction and pelvic floor

Chairmen: *D. Gold, M. Kramer, Sydney, Munich*

- 14:30 TFS: Crossing the divide
D. Gold, Sydney
- 14:45 The artificial sphincter acticon in fecal incontinence
F. Pacravan, Düsseldorf
- 15:05 Neurological causes of ano-rectal dysfunction
D. Leder, Munich
- 15:25 Laparoscopic approach to hyperelongated sigma and descensus
M. Kramer, Munich
- 15:40 Discussion

Inserat
128 mm breit
114 mm hoch

Speakers and Moderators:

Abendstein, Burghard: Gynecologist and surgeon, Hall, Austria

Baumeister, Rüdiger: Plastic surgeon, Munich, Germany

Beschleipfer, Thomas: Urologist, Weiden, Germany

Dahlem, Robert: Urologist, Hamburg, Germany

Dodi, Giuseppe: Coloproctologist, Padua, Italy

Fahrtmann, Christiane: Gynecologist, Freiburg, Germany

Fink, Keshet: Gynecologist, Safed, Israel

Finkelstein, Seth: Gynecologist, New York, USA

Friedman, Talia: Gynecologist, Tel Aviv, Israel

Fünfgeld, Christian: Gynecologist, Tett nang, Germany

Goeschen, Klaus: Gynecologist, Hannover, Germany

Göretzlehner, Ulf: Gynecologist, Ehingen, Germany

Gold, Darren: Coloproctologist, Sydney, Australia

Gozzi, Christian: Urologist, Rome, Italia

Jantos, Marek: Pain therapist, Adelaide, Australia

Jaeger, Wolfram: Gynecologist, Cologne, Germany

Jewell, Ronald, Gynecologist, Bunbury, Australia

Kramer, Michael: Surgeon, Munich, Germany

Lander, Lewis: Gynecologist, Brisbane, Australia

Leder, Dietrich: Coloproctologist, Munich, Germany

Levi, Almog: Gynecologist, Safed, Israel

Liedl, Bernhard: Urologist, Munich, Germany

Klosterhalfen, Bernd: Pathologist, Düren, Germany

Marcus-Braun, Naama: Gynecologist, Safed, Tel Aviv, Israel

Marfan, Michael: Coloproctologist, Milton, Australia

Markovsky, Oliver: Urologist, Munich, Germany

Merz, Daniel: Urologist, Munich, Germany

Mistrangelo, Emanuela: Gynecologist, Genova, Italy

Muctar, Sidi: Urologist, Krefeld, Germany

Müllen, Andreas: Engineer, Aachen, Germany

Müller-Funogea, Andrei: Gynecologist, Aachen, Germany

Neumann, Menahem: Gynecologist, Tel Aviv, Israel

Niesel, Andreas: Gynecologist, Preetz, Germany

Nieuwoudt, Andri: Gynecologist, Terneuzen, Netherlands

Pakravan, Faramarz: Coloproctologist, Düsseldorf, Germany

Petros, Peter: Gynecologist, Sydney, Australia

Reid, Richard: Gynecologist, Sydney, Australia

Romero, Jesus: Gynecologist, Alicante, Spain

Sievert, Karl-Dietrich: Urologist, Tübingen, Germany

Sivaslioglu, Akin: Gynecologist, Izmir, Turkey

Stöhrer, Manfred: Urologist, Murnau, Germany

Sumerova, Natalia: Urologist, Moscow, Russia

Sutherland, Suzette: Urologist, Seattle, USA

Wagenlehner, Florian: Urologist, Gießen, Germany

Zimmerman, Carl: Gynecologist, Nashville, USA
