

ECIO 2017: April 23-26, 2017, Bilbao, Spain

CIRSE's official travel partner KUONI Destination Management has secured a great number of hotel rooms in Bilbao for the benefit of the congress participants. The offered hotels shall be used for individual bookings (up to 10 rooms) only. CIRSE supports compliance with ethical standards. Therefore, CIRSE emphasises that the participants shall bear any and all costs in this context themselves.

CIRSE does in no way arrange or decide which kind of hospitality an industry partner offers to a participant nor does it influence the decision of an industry partner as to which hotel they book for (or for which hotel they reimburse the costs to) the participants in any way.
