

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

■ ■ Simultaneous translation will be available in the Main Auditorium for the duration of conference

Convenor
Session

SUNDAY 16TH NOVEMBER 2014

08:00	DELEGATE REGISTRATION - COFFEE & EXHIBITION VIEWING			
	MAIN AUDITORIUM 			
09:00	Welcome to Conference Professor H Humphreys, Chairman HIS 2014 Mr P Berthelot, President SF2H – MK to invite?			
09:15	KEYNOTE 1 Cost-Effectiveness of Infection Prevention and Control Interventions Peter Jenks <i>Chair: Professor T Rogers</i>			
	Session sub-title TBC Professor S Harbarth, Epidemiologist, Geneva University Hospital, Switzerland			
10:00	COFFEE & EXHIBITION VIEWING			
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3
10:30	CS 1 Healthcare Epidemiology / Surveillance & Infection Technology in Infection Prevention & Control Susan Hopkins	CS 2 Quality Improvement (TBC) Fidelma Fitzpatrick	CS 3 Challenges in Infection Control with Blood Borne Viruses Katie Jeffrey	Debate 1 Debate: Quantitative vs Qualitative Research
	10:30 – 11:00 The use of data warehousing for healthcare epidemiology David Wyllie, Oxford 11:00 - 11:30 The use of fuzzy logic systems to develop automated ICU surveillance Alexander Blacky, Vienna, Austria 11:30 – 12:00	10:30 – 11:15 Session title TBC Dr N Maran, Consultant Anaesthetist, NHS Lothian 11:15 – 12:00 Session title TBC Mary Dixon Woods, Professor of Medical Sociology and Wellcome Trust Senior Investigator, University of Leicester	10:30 – 11:00 Blood borne viruses in the renal Dialysis unit Professor W Irving, Professor and Honorary Consultant in Virology, University of Nottingham and Nottingham University Hospitals NHS Trust, UK 11:00 – 11:30 Dirty needles in the spread of blood	TBC Mary Dixon Woods / Emma Burnett?

DAY ONE

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

Simultaneous translation will be available in the Main Auditorium for the duration of conference

	Integrating ICU surveillance into an ICU clinical care electronic system Professor J Reilly, Lead Consultant HAI, National Service Scotland		borne viruses worldwide through medical malpractice Mr G Schmid, Regional Director, Centres for Disease Control and Prevention 11:30 – 12:00 Blood borne viruses infected HCWS - new guidelines coming out	
	MAIN AUDITORIUM			
12:00	Plenary Session 1 Is it Too Late? Prevention and Control of Multiresistant Gram Negative Bacteria Fidelma Fitzpatrick			
	Title TBC Professor M Cormican, Consultant Microbiologist, Galway University Hospital, Ireland			
12:30	Controlling multidrug resistant gram negative bacilli in your hospital: we can do it so can you! Dr S Munoz-Price, Medical Director - Department of Infection Control, Jackson Memorial Hospital, US			
13:00	LUNCH & EXHIBITION VIEWING			
	MAIN AUDITORIUM	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3
14:00	CS 4 Challenges in Decontamination Peter Hoffman	CS 5 HCAI Influenza Phillipe Vanhems	Free Papers 1	WS 1 Workshop: 10 Top Papers / Reviewing a Paper Jenny Child
	14:00 – 14:30 Current situation with decontamination of delicate ultrasonic probes Ms C Bradley, Laboratory Manager, Queen Elizabeth Hospital Birmingham 14:30 – 15:00	14:00 – 14:30 Virological issues regarding control of nosocomial flu Speaker TBC 14:30 – 15:00 Epidemiological issues regarding nosocomial flu	Sessions to be confirmed following abstract judging Sept / Oct 2014.	TBC

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

■ ■ Simultaneous translation will be available in the Main Auditorium for the duration of conference

	Session TBC 15:00 – 15:30 Session TBC	Speaker TBC 15:00 15:30 How to estimate the impact of flu vaccination of HCW on flu spreading in hospitalised patients: a review Speaker TBC			
15:30	COFFEE & EXHIBITION VIEWING				
	MAIN AUDITORIUM ■ ■	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3	
16:00	OS 1 SF2H (French)	OS 2 IPS Julie Storr	OS 3 ESCMID Barry Cookson	Company Symposium	
	TBC	TBC	TBC	16:00 – 17:00 Session available To enquire please contact paul.harrison@fitwise.co.uk	
17:30	Poster Walks 1, 2, 3 with Refreshments (Exhibition Hall)				
18:00 – 19:00	Welcome Reception with Refreshments (Exhibition Hall)				
19:00	CONFERENCE CLOSE				

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

Simultaneous translation will be available in the Main Auditorium for the duration of conference

MONDAY 17 TH NOVEMBER 2014				
07:45	DELEGATE REGISTRATION - COFFEE & EXHIBITION VIEWING			
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3
08:00	Clinical Lessons	Free Papers 2	Symposium	Symposium
	Sessions to be confirmed following abstract judging Sept / Oct 2014.	Sessions to be confirmed following abstract judging Sept / Oct 2014.	08:00 – 09:00 Session available To enquire please contact paul.harrison@fitwise.co.uk	08:00 – 09:00 Session available To enquire please contact paul.harrison@fitwise.co.uk
	MAIN AUDITORIUM 			
09:15	LOWBURY LECTURE  Martin Kiernan			
	Topic to be confirmed (to be chosen by speaker) Professor Seto			
10:00	COFFEE & EXHIBITION VIEWING			
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3
10:30	 CS 6 MDR Gram Positives  J-C Lucet	 CS 7 <i>Clostridium Difficile</i>  Ed Kuijper	 CS 8 Controversies in the Prevention of Invasive Fungal infection  Lisa Ridgway	 Debate 2 Debate: Vre - Time To Give Up?  J-C Lucet

DAY TWO

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

■ ■ Simultaneous translation will be available in the Main Auditorium for the duration of conference

	<p>10:30 – 11:00 Lessons from recent ICU interventional studies Professor S Harbarth, Epidemiologist, Geneva University Hospital, Switzerland</p> <p>11:00 – 11:30 MRSA: an overview of successful stories/What works? Professor J-C Lucet, Head of the Infection Control Unit, Bichat-Claude Bernard Hospital, France</p> <p>11:30 – 12:00 CA MRSA: current and future in Europe Professor F Vandenesch Title & Organisation TBC</p>	<p>10:30 – 11:00 Is CDI underestimated due to inappropriate testing algorithms? Mark Wilcox, Consultant and Reader, Leeds General Infirmary, UK</p> <p>11:00 – 11:30 How to eradicate <i>Clostridium Difficile</i> spores from the environment Frederique Barbut, Head of the Infection Control Unit, Hospital Saint-Antoine, France</p> <p>11:30 – 12:00 Prediction rules and clinical scores of CDI Marjolein Hensgens Title & Organisation TBC</p>	<p>10:30 – 11:00 Epidemiology & control of <i>Nosocomial Aspergillosis</i> Professor Malcolm Richardson, Director – Mycology Reference centre Manchester & Professor of Medical Mycology, University Hospital of South Manchester, and Institute of Inflammation and Repair, University of Manchester, UK</p> <p>11:00 – 11:30 Preventing invasive candida infections – where could we do better? Professor O Cornely, Professor of Medicine, University of Cologne, Germany</p> <p>11:30 – 12:00 Insights into the Epidemiology of <i>Pneumocystis</i> Infection Dr J Kovacs, Senior Investigator, NIH Clinical Centre, USA</p>	<p>10:30 – 12:00 Microbiological approach of VRE dissemination Professor V Cattoir Title & Organisation TBC</p> <p>Controlling VRE is possible Professor V Jarlier, Head of the Department of Bacteriology and Hygiene, Hospital Pitie-Salpêtrière, France</p>	
	MAIN AUDITORIUM ■ ■				
12:00	Plenary Session 2 Norovirus Ed Kuijper				
	12:00 – 12:30 Understanding diversity in relation to detection, healthcare impact, control and prevention Professor M Koopmans				
	12:30 – 13:00 Sub-title TBC Mr B Lopman, Epidemiologist, Centres for Disease Control and Prevention, USA				
13:00	LUNCH & EXHIBITION VIEWING				

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

Simultaneous translation will be available in the Main Auditorium for the duration of conference

	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3	
14:00	CS 9 Behavioural Strategies in Infection Prevention & Control J-C Lucet	CS 10 Impact of Rapid Diagnostic Methods Ed Kuijper	LB 1 Late Breaker 1	WS 2 Workshop: Quality Assurance of Infection Prevention & Control Services Chantal Leger	
	14:00 – 14:30 Socio-cultural aspects of ICP Dr M Borg, Head of Department of Infection Prevention & Control, Mater Dei Hospital, Malta 14:30 – 15:00 Hand hygiene, beyond technical problems Professor H Sax Title & Organisation TBC 15:00 – 15:30 Impact of organisations on healthcare associated infection Professor A Holmes Title & Organisation TBC	14:00 – 14:30 Rapid diagnostics to control MRSA Dr M W M Wassenberg, Infectious Diseases Specialist, University Medical Center Utrecht, The Netherlands 14:30 – 15:00 Rapid diagnostics to control spread of MDR bacteria at ICU Dr L Derde, Internist-intensivist, University Medical Center Utrecht, The Netherlands 15:00 – 15:30 Impact of mass spectrometry on clinical decision making Professor G Greub, Head of the medical diagnostic laboratories of Microbiology, University Hospital Center and University of Lausanne, Switzerland	TBC (January 2014)	14:00 – 14:30 Session TBC 14:30 – 15:00 Session TBC 15:00 – 15:30 Session TBC	
15:30	COFFEE & EXHIBITION VIEWING				
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3	
16:00	OS 4 SIS-E	OS 5 ESCCM (Inf)	OS 6 ECDC SSI Barry Cookson	Symposium	

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

■ ■ Simultaneous translation will be available in the Main Auditorium for the duration of conference

	TBC	TBC	SSI ICU – Lessons learnt Indicators – where are we going to go?	16:00 – 17:00 Session available To enquire please contact paul.harrison@fitwise.co.uk	
17:30	Poster Walks 4, 5, 6 with Refreshments (Exhibition Hall)				
18:30	CONFERENCE CLOSE				

TUESDAY 18TH NOVEMBER 2014

07:45	DELEGATE REGISTRATION - COFFEE & EXHIBITION VIEWING				DAY THREE
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3	
08:00	OUTBREAKS	Free papers 3	Symposium	Symposium	
	Sessions to be confirmed following abstract judging Sept / Oct 2014.	Sessions to be confirmed following abstract judging Sept / Oct 2014.	08:00 – 09:00 Session available To enquire please contact paul.harrison@fitwise.co.uk	08:00 – 09:00 Session available To enquire please contact paul.harrison@fitwise.co.uk	
	MAIN AUDITORIUM 				
09:00	KEYNOTE 3 EADD Martin Kiernan				
	ABX Issues EAAD Herman Goosens				
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3	

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

 **Simultaneous translation will be available in the Main Auditorium for the duration of conference**

09:45	CS 11 Infection Prevention & Control in Specialised Settings Peter Jenks	CS 12 Whole Genome Sequencing Peter Jenks	Free Papers 4	DEBATE 3 Debate: High-Tech Decontamination of the Environment Peter Hoffman
	<p>09:45 – 10:20 Infection control in burns units Dr P Jumma, Consultant Microbiologist Queen Elizabeth Hospital Birmingham, UK</p> <p>10:20 – 10:55 Surveillance and management of ventriculitis following neurosurgery Professor H Humphreys, Consultant Microbiologist, The Royal College of Surgeons, Ireland</p> <p>10:55 – 11:30 Infection control on neonatal Units Dr J R Zahar, Head of Infection Control Unit University Hospital Angers, France</p>	<p>09:45 – 10:20 Application of whole genome sequence to understanding and managing Healthcare associated Infection Professor D Crook, Consultant Microbiologist, Oxford University Hospitals, UK</p> <p>10:20 – 10:55 Application of whole genome sequence to the investigation and management of outbreaks of infection Dr T Walker, Infectious Disease and Microbiology Registrar and MRC Research Training Fellow, University of Oxford, UK</p> <p>10:55 – 11:30 The investigation of MRSA outbreaks using whole genome sequencing Ed Cartwright, Clinical Research Fellow, University of Cambridge</p>	Sessions to be confirmed following abstract judging Sept / Oct 2014.	<p>Professor H Humphreys, Head of Department and Consultant Microbiologist, The Royal College of Surgeons, Ireland and Beaumont Hospital, Ireland</p> <p>Dr P Carling, Title & Organisation TBC</p> <p>Professor M Dettenkofer, Associate Director, University Freiburg, Germany</p> <p>Mr P Hoffman, Consultant Clinical Scientist, Public Health England</p>
11:30	COFFEE & EXHIBITION VIEWING			
	MAIN AUDITORIUM 			
12:00	Plenary Session 3 Stewardship and Interventions that Work Conor Jamieson			
	<p>12:00 – 12:30 The role of education Ms E Charani, Academic Research Pharmacist, Imperial College London, UK</p>			

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

Simultaneous translation will be available in the Main Auditorium for the duration of conference

	12:30 – 13:00 The role of restricting antibiotics Professor I Gyssens, Job title TBC , Radboud University, The Netherlands			
13:00	LUNCH & EXHIBITION VIEWING			
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3
14:00	OS 10 ECDC	CS 13 Infection Prevention & Control in Long Term Care Lisa Ridgway	CS 14 Controversies in Prevention & Diagnosis of Infection in Cystic Fibrosis Fidelma Fitzpatrick	Workshop: Building Design
		14:00 – 14:30 Infection prevention & control in prisons Dr É O'Moore, Director of the WHO Collaborating Centre for Health in Prisons, World Health Organisation, UK 14:30 – 15:00 Healthcare associated infection in long term care facilities Beatrice Jans, Scientist, Scientific Institute of Public Health, Belgium 15:00 – 15:30 Linking data to prevention – the Irish experience Dr Karen Burns, Consultant Microbiologist, Health Protection Surveillance Centre & Beaumont Hospital, Ireland	14:00 – 14:30 Epidemiology of infection & current guidelines for infection prevention in CF patients Dr K Schaffer, Consultant Microbiologist, St. Vincent's University Hospital, Ireland 14:30 – 15:00 What is the role of airborne transmission in CF & how does this impact on building guidelines Dr S Holden 15:00 – 15:30 How can the laboratory support infection prevention and control best in the CF setting Dr M Denton, Consultant Microbiologist, Leeds Teaching Hospitals NHS Trust, UK	
15:30	COFFEE BREAK			
	MAIN AUDITORIUM 	PASTEUR AUDITORIUM	PASTEUR LOUNGE	RHONE 3

The 9th Healthcare Infection Society International Conference 2014

Room capacities – Main Auditorium (888) Pasteur Auditorium (296) Pasteur Lounge (250) Rhone 3 (200)

■ ■ Simultaneous translation will be available in the Main Auditorium for the duration of conference

16:00	OS 7 EUNTIPS	OS 8 PHE	OS 9 SF2H	Company Symposium
				16:00 – 17:00 Session available To enquire please contact paul.harrison@fitwise.co.uk
17:30	CONFERENCE CLOSE
