

AOTrauma Course—Pediatric

11 Feb 2015 - 12 Feb 2015, Nottingham, United Kingdom

Wednesday, 11 Feb 2015 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
09:00	09:30	Registration & coffee		Great Hall Foyer	30
09:30	11:00	General topics: Pelvis and hip (Moderator)			90
09:30	09:40	Lecture Introduction		Osborne Suite	10
09:40	10:05	Lecture Growth, remodeling and the limits of acceptability in children's fractures		Osborne Suite	25
10:05	10:30	Lecture The history, scientific basis and application of elastic nailing		Osborne Suite	25
10:30	10:50	Lecture Pelvic fractures in children		Osborne Suite	20
10:50	11:00	Lecture Proximal femoral fractures		Osborne Suite	10
11:00	11:15	Tea & coffee		Osborne Lounge	15
11:15	13:15	Treatment of femoral shaft fractures in 3-5 year olds (Moderator)			120
11:15	11:25	Lecture Traction & Hip spica		Osborne Suite	10
11:25	11:40	Lecture Elastic nailing of the femur		Osborne Suite	15
11:40	11:50	Lecture External fixation & plating: When & How		Osborne Suite	10

AOTrauma Course—Pediatric

11 Feb 2015 - 12 Feb 2015, Nottingham, United Kingdom

Wednesday, 11 Feb 2015 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
11:50	12:00	Lecture Trochanteric entry nailing indications, techniques, AVN		Osborne Suite	10	
12:00	12:30	Discussion Case discussion - Pelvis, hip and femur		Osborne Suite	30	
12:30	13:15	Workshop (dry bone) Practical 1: Elastic nailing of femur ESIN		Osborne Suite	45	
13:15	14:15	Lunch		Osborne Lounge	60	
14:15	15:35	Fractures of the knee and leg (Moderator)			80	
14:15	14:35	Lecture Fractures around the knee overview - Distal femur - Patella - Tibial spine - Tibial tuberosity		Osborne Suite	20	
14:35	15:15	Discussion Case discussion - knee fractures		Osborne Suite	40	
15:15	15:35	Lecture Tibial shaft fractures		Osborne Suite	20	
15:35	17:30	Ankle fractures (Moderator)			115	
15:35	16:00	Lecture Distal tibial fractures - tillaux - triplane - ankle		Osborne Suite	25	

AOTrauma Course—Pediatric

11 Feb 2015 - 12 Feb 2015, Nottingham, United Kingdom

Wednesday, 11 Feb 2015 (Day 1)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
16:00	16:15	Tea & coffee		Osborne Lounge	15
16:15	17:00	Workshop (dry bone) Practical 2: Tibial triplane		Osborne Suite	45
17:00	17:30	Discussion Case discussion - lower limb		Osborne Suite	30

AOTrauma Course—Pediatric

11 Feb 2015 - 12 Feb 2015, Nottingham, United Kingdom

Thursday, 12 Feb 2015 (Day 2)						
Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
08:30	09:15	Forearm, wrist, and humerus (Moderator)			45	
08:30	08:45	Lecture Distal radius		Osborne Suite	15	
08:45	09:00	Lecture Forearm shaft		Osborne Suite	15	
09:00	09:15	Lecture Proximal humerus and humeral shaft		Osborne Suite	15	
09:15	10:40	Elbow: Supracondylar fractures, What I do; how and why (Moderator)			85	
09:15	09:20	Lecture Introduction to the issues		Osborne Suite	5	
09:20	09:30	Lecture Blount/Charnley method and traction		Osborne Suite	10	
09:30	09:40	Lecture Closed reduction and wiring; Techniques		Osborne Suite	10	
09:40	09:50	Lecture Antegrade ESIN and radial external fixator		Osborne Suite	10	
09:50	10:40	Discussion Supracondylar case discussion (including vascular injury)		Osborne Suite	50	
10:40	11:00	Tea & coffee		Osborne Lounge	20	
11:00	15:00	Elbow: Other crucial fractures (Moderator)			240	

AOTrauma Course—Pediatric

11 Feb 2015 - 12 Feb 2015, Nottingham, United Kingdom

Thursday, 12 Feb 2015 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration
11:00	11:20	Lecture Lateral condyle, medial condyle, and medial epicondyle fractures		Osborne Suite	20
11:20	11:35	Lecture Radial neck injuries		Osborne Suite	15
11:35	11:50	Lecture Monteggia fractures		Osborne Suite	15
11:50	12:45	Discussion Case discussions - upper limb		Osborne Suite	55
12:45	13:40	Lunch		Osborne Lounge	55
13:40	15:00	Workshop (dry bone) Practical 3: Elbow fractures and forearm Supracondylar - Crossed wiring - Lateral wiring - Radial external fixator Lateral condyle - Wiring - Cannulated screw Radius and ulna ESIN (incl radial neck)		Osborne Suite	80
15:00	16:40	Special topics (Moderator)			100

AOTrauma Course—Pediatric

11 Feb 2015 - 12 Feb 2015, Nottingham, United Kingdom

Thursday, 12 Feb 2015 (Day 2)

Start	End	Title	Moderators/Faculty	Location/Documents	Duration	
15:00	15:30	Lecture Post fracture deformity; diagnosis and treatment options		Osborne Suite	30	
15:30	15:50	Lecture (SUFE) Slipped upper femoral epiphysis: - The Bernese view		Osborne Suite	20	
15:50	16:40	Discussion Case discussion - difficult cases		Osborne Suite	50	
16:40	17:00	Tea & Coffee		Osborne Lounge	20
