

# 2014 courses in Advanced Laparoscopic Liver and Pancreatic Surgery (ALLPS) - Southampton

22<sup>nd</sup> & 23<sup>rd</sup> May 2014  
6<sup>th</sup> & 7<sup>th</sup> November 2014

We are delighted to announce the 2014 dates for the Advanced Laparoscopic Liver and Pancreatic Surgery courses organised by The Southampton Hepatobiliary and Pancreatic Surgical Unit. A further date in the summer will be organised depending on demand.

This is a unique course, in laparoscopic HPB surgery, which aims to introduce established and future HPB surgeons to the laparoscopic approach through an intensive experience divided including

Three sessions of live operating, videos presentations and lectures.

## Topics include:

Laparoscopic Liver resections: case selection, preparation, technique, and equipment

Laparoscopic Pancreatic resection

Haemostasis in laparoscopic surgery

## Registration fees:

Consultant £1400                      trainees                      £1200

This will include participation on the course, handout materials (including video/DVD), one night accommodation and evening meal.
