

VILLA BELLA CLINIC ANNUAL COURSE PROVISIONAL PROGRAM 2015: "FACE"

WEDNESDAY 27 / THURSDAY 28 MAY

SCULPTURE COURSE: how to shape the face (live model)

The surgical sculpture course, led by the well-known Italian sculptor Angiolino Aime, will give each participant the opportunity to create a clay head with his/her own hands. Thanks to this experience, the surgeon will be able to appreciate in detail the tridimensional aspects of facial features. This course will last two full days.

Faculty: Angiolino Aime & Chiara Botti
