

*Second European Symposium on
3D Rotational Angiography in
Congenital Heart Disease*

January 31st - February 1st 2014

Organized by: Children's Hospital Utrecht, The Netherlands

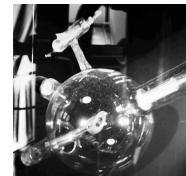

www.kinderhartcentrum.nl

Friday January 31st 2014

09:00 Welcome

Krings, Utrecht

3D Imaging in Congenital Heart Disease

Chairmen: Bruckheimer, Petah Tikva; Zahn, Los Angeles

09:10 History of Rotational Angiography

Lewin, Stuttgart

09:35 Evolution of 3D Angiography

Kehl, Münster

10:00 Indications for 3D Rotational Angiography

Zahn, Los Angeles

10:30 Coffee break

3DRA in Aortic Arch Obstruction

Chairmen: Benson, Toronto; Ballard, Leeds

11:00 **Introduction: Live Case Aortic Arch Intervention**

Bruckheimer, Petah Tikva

11:15 Imaging in Aortic Arch Intervention

Qureshi, London

11:35 Intervention in the Transvers Aortic Arch

Ewert, München

11:55 Complications in Aortic Intervention

Benson, Toronto

12:15 **Discussion Live Case**

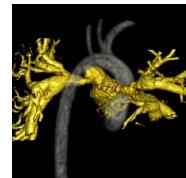

13:00 Lunch

13:30 Hands-on Workshop 3DRA

registration required

3DRA in RVOT and PA Stenosis

Chairmen: Qureshi, London; Carminati, Milano

14:30 **Introduction: Live Case PPVI**

Ballard, Leeds

15:00 MRI and CTA prior to PPVI

Dittrich, Erlangen

15:30 Pre-Cath MRI / CTA used for Roadmapping

Benson, Toronto

16:00 Percutaneous Valve Implantation in Native PA Trunc

Krings, Utrecht

16:30 Imaging and Treatment of PA Branch Stenosis

Qureshi, London

17:00 **Discussion Live Case**

18:00 Closing Remarks First Day

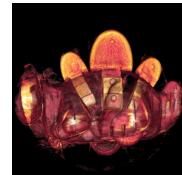

19:30 Social Dinner

registration required

Saturday February 1st 2014

Learning Curve in 3DRA

Chairmen: Zahn, Los Angeles; Goreczny, Lodz

09:00 Start Up 3DRA Lund

Liuba, Lund

09:20 Start Up 3DRA München

Kozlik-F. München

09:40 Radiation

Breur, Utrecht

10:00 Workflow in 3DRA

Freund, Utrecht

10:30 Coffee break

3DRA in Single Ventricle: Interstage

Chairmen: Qureshi, London; Ewert, München

11:00 Introduction: **Live Case Single Ventricle**

11:30 National Experience in HLHS

Goreczny, Lodz

12:00 Interventions in HLHS: Topography

Zahn, Los Angeles

12:30 Discussion Live Case

Ewert, München

13:00 Lunch

13:30 Hands-on Workshop 3DRA

registration required

3DRA in Single Ventricle: completed Fontan

Chairmen: Freund, Utrecht; Benson, Toronto

14:30 Failing Fontan: Interventional Options

Benson, Toronto

15:00 Flow Patterns in Fontan: 4D MRI

Ballard, Leeds

15:30 Benefit of 3DRA: Pro / Con Debate

Zahn / Carminati

16:30 Closing Remarks

Krings, Utrecht

<i>Information</i>	www.kinderhartcentrum.nl									
<i>Date</i>	January 31 st - February 1 st , 2014									
<i>Location</i>	University Medical Center Utrecht Lecture Hall : 'Roze Collegezaal' Heidelberglaan 100, 3584 CX Utrecht The Netherlands									
<i>Registration</i>	www.3dra.org Secretary Dept. of Pediatric Cardiology (+31 88 75 547 03)									
<i>Organisation</i>	G.J. Krings, Pediatric Interventional Cardiologist, Head CathLab M.W. Freund, Pediatric Interventional Cardiologist S.G. Boessenkool, Secretary Pediatric Cardiology									
<i>Congress-Fee</i>	<table border="0"> <tr> <td><i>Physician</i></td><td>€ 200,-</td><td>(€ 250,- after January 1st 2014)</td></tr> <tr> <td><i>Fellow</i></td><td>€ 150,-</td><td>(€ 180,- after January 1st 2014)</td></tr> <tr> <td><i>Non-Physician</i></td><td>€ 100,-</td><td>(€ 130,- after January 1st 2014)</td></tr> </table>	<i>Physician</i>	€ 200,-	(€ 250,- after January 1 st 2014)	<i>Fellow</i>	€ 150,-	(€ 180,- after January 1 st 2014)	<i>Non-Physician</i>	€ 100,-	(€ 130,- after January 1 st 2014)
<i>Physician</i>	€ 200,-	(€ 250,- after January 1 st 2014)								
<i>Fellow</i>	€ 150,-	(€ 180,- after January 1 st 2014)								
<i>Non-Physician</i>	€ 100,-	(€ 130,- after January 1 st 2014)								
<i>Abstracts</i>	oral presentation and posters									
<i>Deadline</i>	January 1 st , 2014									
<i>Social Dinner</i>	€ 85,- (registration required)									
<i>Accreditation</i>	EBAC certification is applied for
