WELCOME MESSAGE

first edition of the Paris International Shoulder Course was a great success gathering a huge attendance revealing the high level of all scientific communications of our first course, PISC 2013. The course format and content showed a high satisfaction level, and we are now working on a 2nd edition, PISC 2015.

Our principal goal remains to offer to all levels - from junior trainees to experts in the field - a range of practical information with regard to new techniques and ideas for our patients. We will propose a scientific programme with more informations concerning long terms results of shoulder arthroplasty and latest innovations. We will make sure this course continues to insure interactivity and exchanges.

As in 2013, a large conference area will be set up for debates regarding arthroplasty where experienced specialists will be able to share their knowledge and examples of difficult cases.

This event will be a great occasion to network with your colleagues from all over the world.

We look forward to welcoming you to our great city!

Philippe HARDY Markus SCHEIBEL Philippe VALENTI Chairmen PISC 2015

> THURSDAY **FEBRUARY 12th**, 2015

February 12-14, 2015 Marriott Conference Center Paris. FRANCE

PROXIMAL HUMERAL FRACTURES PRIMARY AND SECONDARY TREATMENT

Chairman: Markus SCHEIBEL

08h00-10h00 SESSION 1

The difficult proximal humeral fracture

> PRESENTATIONS

- 8h00 Current challenges of proximal humeral fractures
- 8h10 Augmentation what works, what doesn't?
- 8h20 Tips and tricks in posterior fracture dislocation
- 8h30 Head split fractures always prosthetic replacement?
- 8h40 How to deal with associated lesions (glenoid, cuff and biceps)
- 8h50 Re-osteosynthesis or prosthetic replacement after early failure
- > 9h00-9h30 Lecture // New strategies in the treatment of proximal humeral fractures ?
- > 9h30-10h00 **Case discussion** // " The difficult proximal humeral fracture "

10h30-11h00 SESSION 2

Prosthetic replacement for acute fractures

> PRESENTATIONS

- 10h30 The current role for fracture prosthesis
- 10h40 Failures of hemiarthroplasty how to avoid?
- 10h50 Convertible stems do they work?

- > 11h00-11h30 Lecture // Revision of failed hemiarthroplasties for fractures
- > 11h30-12h00 **Debate** // HSA vs reverse prosthesis for acute fractures
- > 12h00-12h30 **Presentations** // Treatment of fracture sequelae
- 12h00 How to deal with stiffness in fracture sequelae
- 12h10 Stemless implants are they really better?
- 12h20 Anatomical vs reverse prosthesis
- > 12h30-12h50 Surgical techniques-videos presentation //

12h50-13h50 LUNCH WORKSHOPS

13h50-14h20 SESSION 3

Clinical cases and interactive session on prosthetic replacement for fractures and fracture sequelae

- > 14h30-18h00 Live surgery //
- > 14h30-16h00 Ultrasound workshop //
- > 14h30-18h00 Cadaver workshops //

> FRIDAY **FEBRUARY 13th**, 2015

TOTAL SHOULDER ARTHROPLASTY

Chairman: Philippe HARDY

08h00-10h00 SESSION 4

Primary Total Shoulder Arthroplasty: the difficult glenoid

> PRESENTATIONS

- 8h00 Preoperative assesment of glenoid bone loss
- 8h10 Tips and Tricks to expose the glenoid Fossa
- 8h20 Do we need to resect the head to expose the glenoid?
- 8h30 Intra operative navigation is it usefull?
- 8h40 B1 Glenoid how to deal with?
- 8h50 New trends: the asymetrical implants
- > 9h00-9h30 **Lecture** // Glenoid Implant where are we now peg/keel, cemented or not, curved back or flat, mismatch, new pe?
- > 9h30-10h00 Case discussion // Difficult glenoids

10h00-10h30 COFFEE BREAK & VISIT OF THE EXHIBITION

> PRESENTATIONS

- 10h30 Specific complications of stemless implants
- 10h40 Why do I prefer to have a stem?
- 10h50 Stemless or resurfacing

- > 11h00-11h30 Lecture // Is there any advantage to use a convertible system?
- > 11h30-12h00 **Debate** // Convertible or Easy revisable
- > 12h00-12h30 **Presentations** //
- 12h00 Revision of hemi with glenoid erosion
- 12h10 Is there any indication to revise a tsa by a tsa
- 12h20 Glenoid grafting in revision wich technique which implant
- > 12h30-12h50 Surgical techniques-videos presentation //

12h50-13h50 LUNCH WORKSHOPS

- > 14h30-18h00 Live surgery $\!/\!/$
- > 14h30-16h00 Ultrasound workshop //
- > 14h30-18h00 Cadaver workshops //

GET TOGETHER RECEPTION

From 18h00 to 20h00 on the Exhibition area

> SATURDAY **FEBRUARY 14th**, 2015

February
12-14, 2015
Marriott Conference Center
Paris. FRANCE

TRSA IN CUFF DEFICIENCY

08h00-10h00 SESSION 7

- > 08h00-09h00 **PRESENTATIONS** //
- What are the key points in my physical exam before RSA » & «
- What I look for in my radiological exam before a RSA »
- Is it useful to repair the subscapularis?
- RSA and deltoid muscle?
- RSA after failed of deltoid or LD tendon transfer
- RSA and fracture of the spine and the acromion
- RSA under 55 years old: are we authorized?
- Discussion
- > 9h00-9h20 Lecture // Advantages of 3D CTscan in pre op planning
- > 9h20-10h00 **Debate** // Long stem versus short stem versus no stem in RSA? (indications/ results / advantages/ disadvantages)

010h30-12h00 SESSION 8

- > 10h30-11h45 PRESENTATIONS //
- Which inclination for the humeral epiphysis 135 or 155
- Which retroversion for the humeral implant?
- The unstable RSA
- Advantages of excentric glenosphere, Postero superior offset humerus?

- Augmented baseplate in RSA?
- Outcomes of glenoid bone graft in RSA?
- How to deal a glenoid loosening in RSA?
- Advantages of a platform system?
- Is it useful to have a MB with a long stem?
- Discussion
- > 11h45-12h00 Video presentations // Exposition of the glenoid : delto pectoral / supero lateral How to do a l'Episcopo procedure ?

13h00-15h00 SESSION 9

- > 13h00-13h30 Debate // Glenoid B2 and C with intact cuff? What do you do?
- > 13h30-14h55 Clinical cases // Interactive session

GENERAL INFORMATION

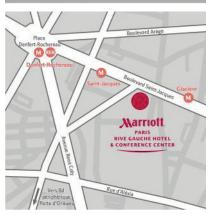

12-14 FEBRUARY 2015

Venue:

Marriott Paris Rive Gauche Conference Center

17, Boulevard Saint Jacques 75014 Paris, France

AIRPORTS

Paris/Charles De Gaulle - CDG

Hotel distance: 45 km S Bus service, fee: 16 € (one way) Subway service, fee: 9 € (one way) Estimated taxi fare: 50 € (one way)

Paris/Orly - ORLY

Hotel distance: 14 km NE Bus service, fee: 7 € (one way) Subway service, fee: 10 € (one way) Estimated taxi fare: 30 € (one way)

BUS STATION

Glacière Auguste Blanqui 0.2 km NE

SUBWAY STATION

Denfert Rochereau 0.5 km W Glacière 0.2 km E

TRAIN STATION

Gare Montparnasse 2 km NW Gare du Nord (Eurostar connection) 6.5 km N

ATTENDANCE

500 participants

LANGUAGE

The official language of the course is English. No simultaneous translation will be provided.

CATERING

Coffee-breaks will be served every morning and every afternoon in the exhibition area. Cocktail lunch will also be organised and served in the exhibition area (standing cocktail).

EXHIBITION TIME TABLE

Build-up

Wednesday, February 11th, 2015 from 8:00 pm onwards

Thurday, February 12th, 2015

6:00 am - 8:00 am

Exhibition

Thurday, February 12th, 2015 8:00 am – 6:30 pm Friday, February 13th, 2015 8:00 am – 6:30 pm Saturday, February 14th, 2015

Dismantling

Saturday, February 14th, 2015 from 2:00 pm

8:00 am - 2:00 pm

CONTACTS

CHAIRMEN

Philippe Hardy, MD. PhD Pr

Hôpital Ambroise Paré 9, avenue Charles-de-Gaulle 92100 Boulogne-Billancourt – France
